General Analysis

Revenue Analysis

Expenditure Analysis

Investments

## ***Introduction***

The purpose of this report is to summarize the financial position of the City of New Albany (City) on a monthly basis using year-to-date (YTD) and prior year information for comparison purposes. The document is comprised of two major sections:

1. General Fund analysis
2. All Funds analysis

Each section contains graphs with supporting analysis. In the appendices are supporting financial documentation relating to the analysis. Within each section, financial information is displayed at the following levels:

1. Fund
2. Revenue
3. Expense

The General Fund section contains additional data used to measure and assess the City's financial condition. The goal is to emphasize the General Fund as the best overall indicator of the financial health of the City and to utilize All Funds for a more holistic view.

Upon review of the information provided, the finance department is available to answer questions or provide additional data. Please do not hesitate to submit your request via email to [bstaats@newalbanyohio.org](mailto:bstaats@newalbanyohio.org) or phone at (614) 855-3913.

Respectfully Submitted,

Bethany Staats, CPA, Finance Director

## ***General Fund Section — SUMMARY OF FINANCIAL RESULTS***

### **CASH BALANCE**

1. Chart 1 illustrates a positive YTD variance of \$4,726,852 between revenue (\$12,329,645) and expenses (\$7,602,793).

### **REVENUE**

1. Chart 2 shows a YTD increase in revenue of \$761,098 or 6.6%. Income tax collections are \$10,553,225 year-to-date, which is a 3.4% increase from 2017. Chart 3 provides a monthly illustration of the these collections.
2. Chart 4 breaks down income tax collections by type. Withholdings are the best indicator of income tax stability.
3. Chart 5 provides additional insight into income tax collections by type. The pie chart entitled ‘Normal’ shows the historical average breakdown of income tax collections.
4. 2016 audit adjustments for calendar years 2014 and 2015 of \$2,269,850 have been removed from the 2016 Withholdings to show a more accurate picture of collections. The adjustments are referenced in a footnote which can be found in Addendum A.

### **EXPENSE**

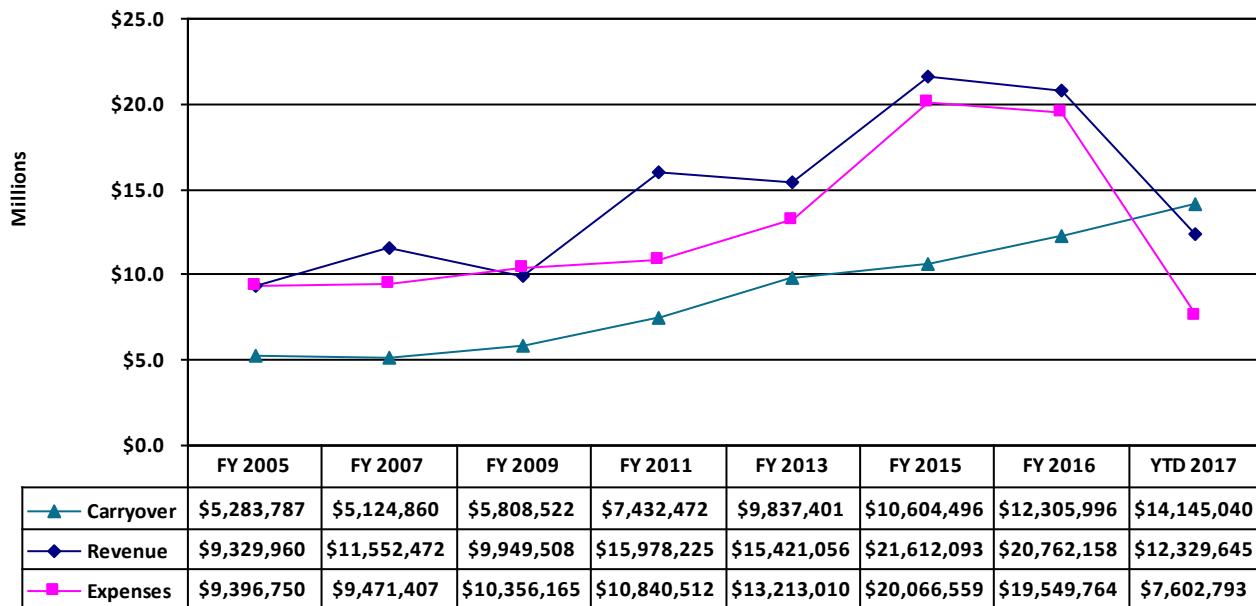

1. YTD expenses are \$2,840, or 0.04%, above last year. During the next month, there will be a review of the budget to determine if there are any mid year adjustments that need to be made. At this point in time, the most important factor is that YTD revenue continues to exceed YTD expenses.

### **ALL FUNDS**

1. When examining income tax at the All Funds level, all collections are consistent with the General Fund yet representative of the Business Park environment. It appears that while General fund collections are at 66% of the 2017 Budget, overall collections are lagging at approximately 48% of the 2017 Budget. This may be due to the timing of collections and distribution. A review of the budget performed in the next month, will determine if there are adjustments to be made for 2017.
2. Chart 8 shows the EOZ areas (Chart 8) which provides insight into the breakdown of tax collections within the Business Park.

## **General Fund Section — CASH BALANCE**

**CHART 1: General Fund—Revenue, Expenses, and Carryover**  
(Additional Data can be found in Appendix A: General Fund Monthly Cash Flow)

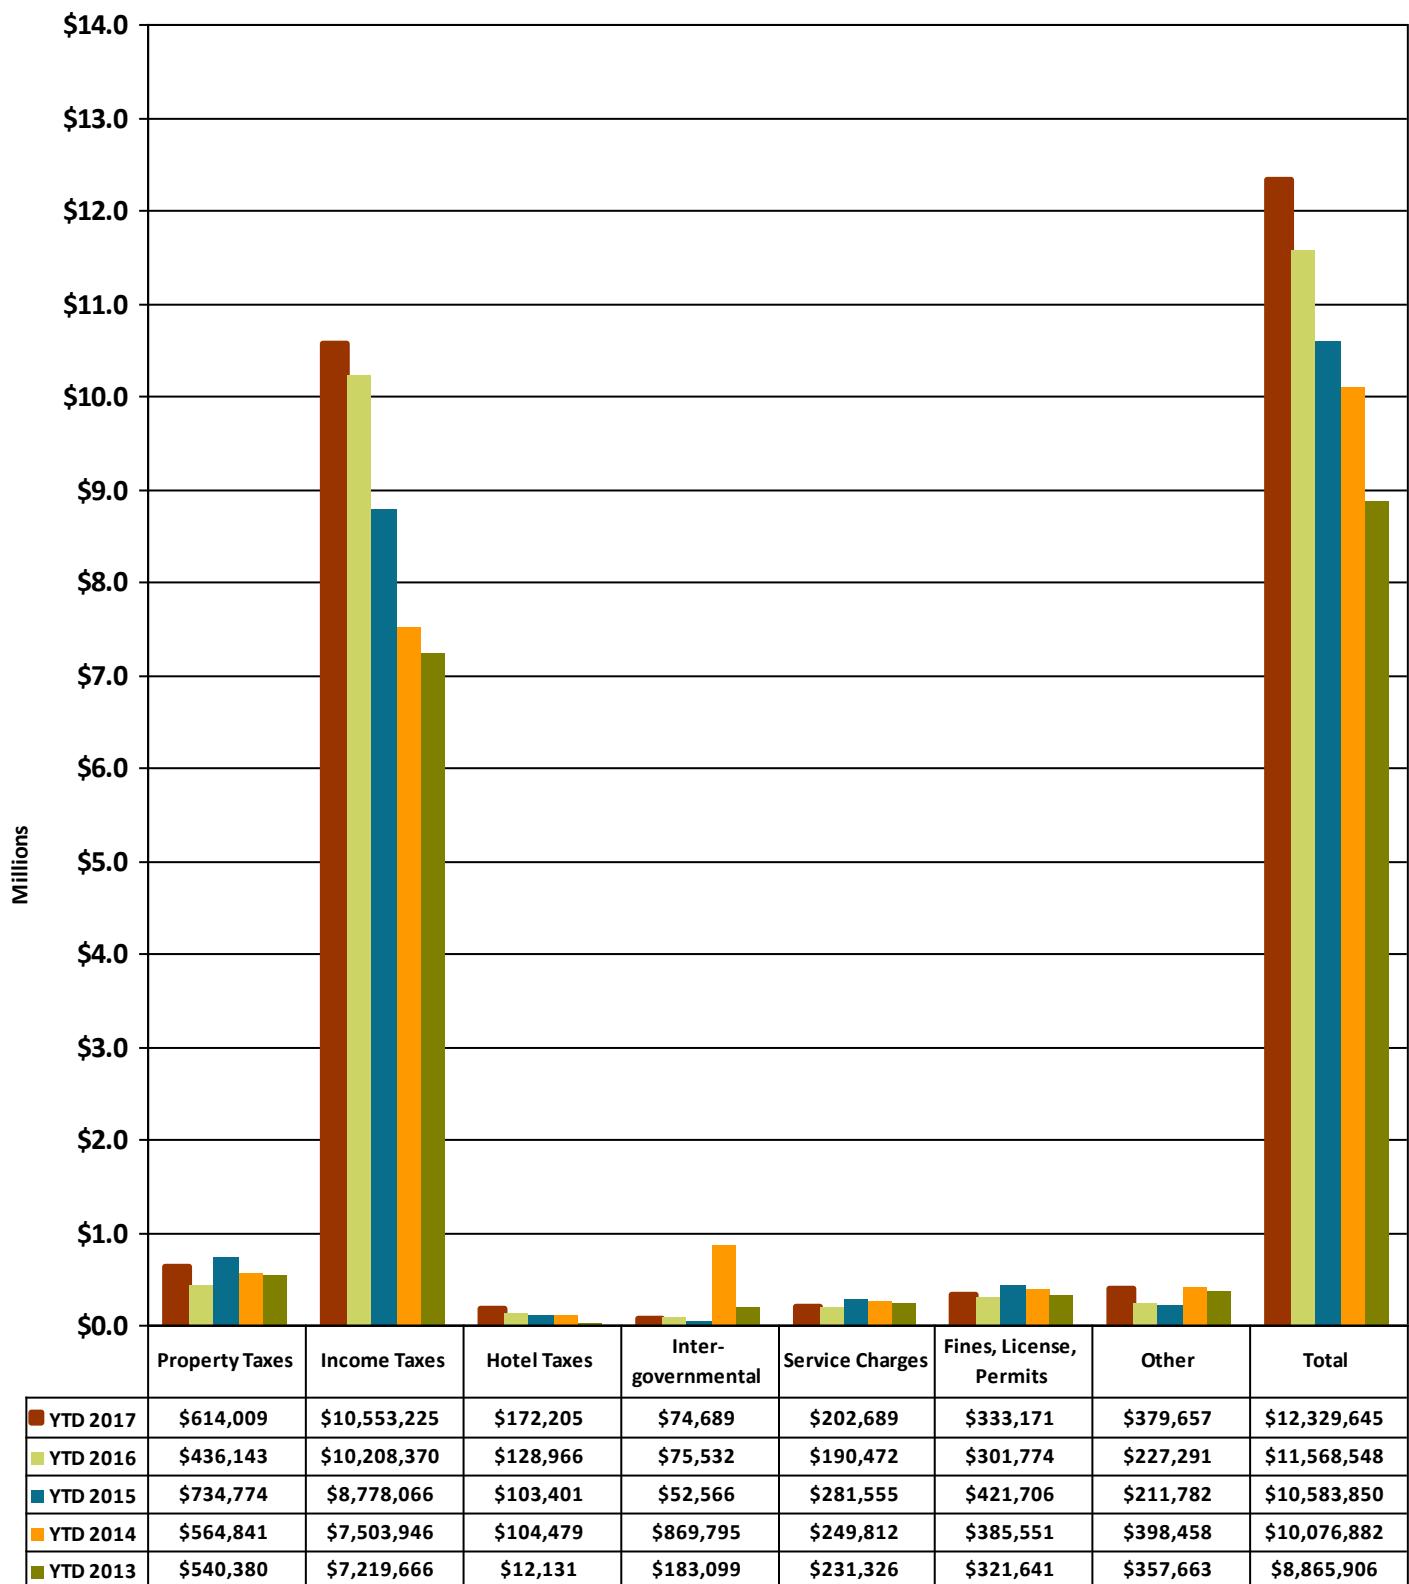

Historically, the City has maintained a positive variance between revenue and expenses, which has allowed it to maintain a target carryover balance of 60% of annual revenue as established based upon an ongoing sensitivity analysis. Furthermore, the City Council has been able to redirect additional surplus dollars to the Infrastructure Replacement, Severance Liability, and Capital Equipment Replacement funds to address the long-term needs of the city.

## General Fund Section — REVENUE

**CHART 2: General Fund—Revenue Sources**

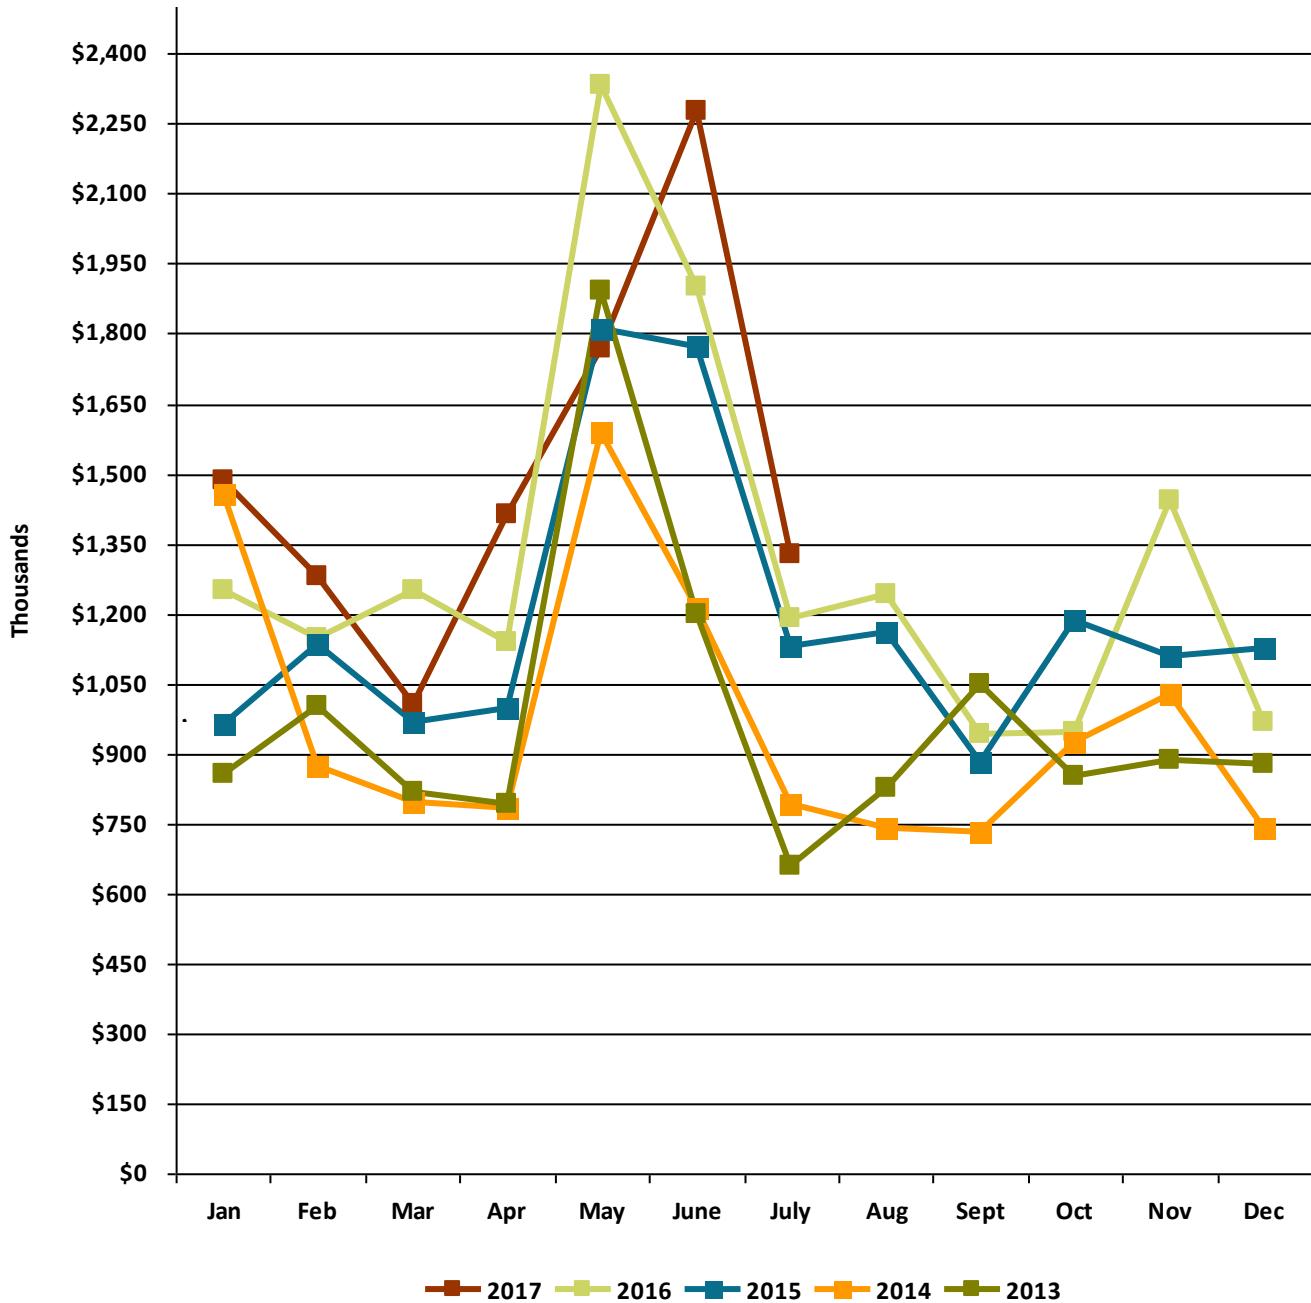

(Additional Data can be found in Appendix A: General Fund YTD Revenue Analysis)

## General Fund Section — REVENUE

**CHART 3: General Fund Income Tax Revenue (All Types) - Monthly**

Additional Data can be found in Appendix A: General Fund Income Tax Trend Analysis

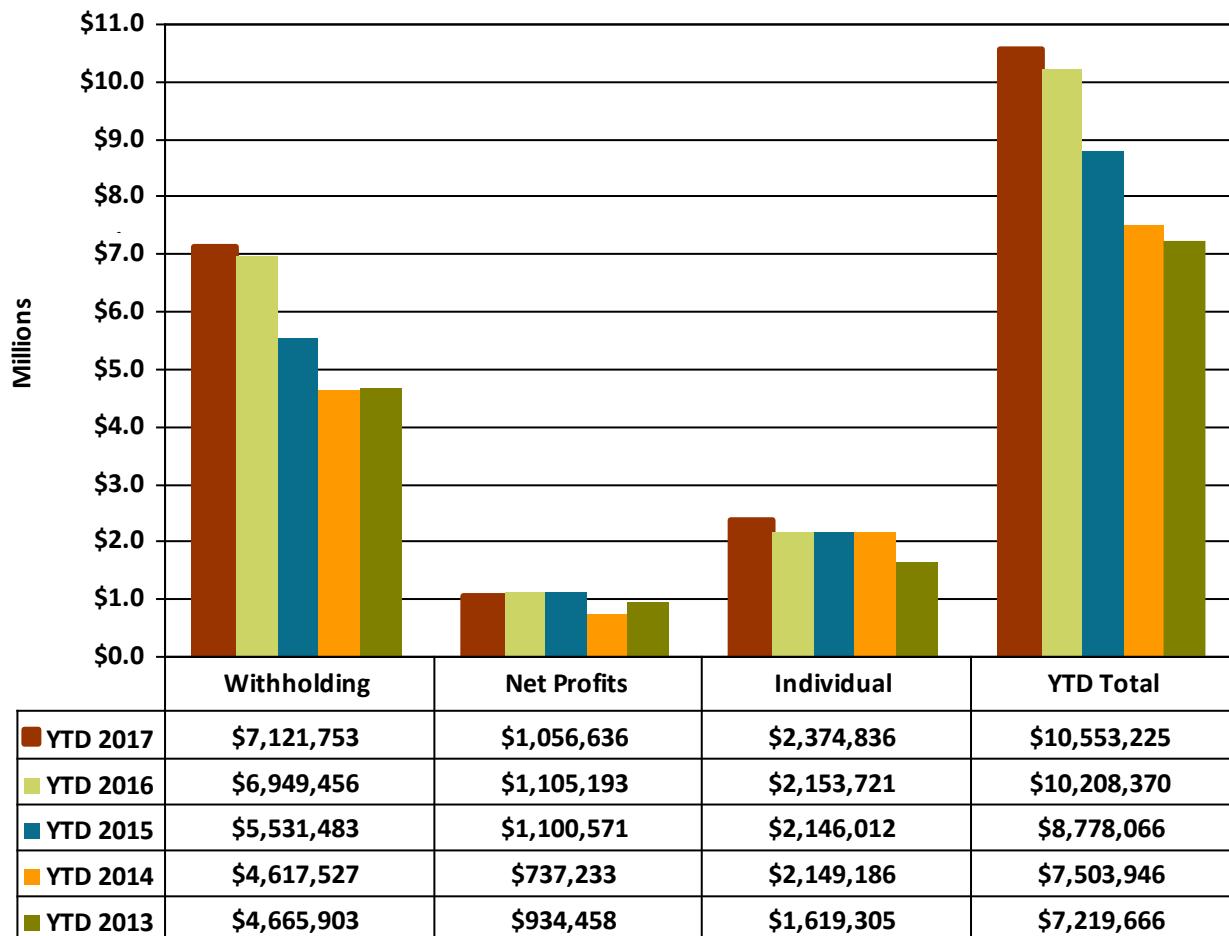

Each line represents a year of Income Tax collections. The points along each line represent the individual months of collections. 2017 is represented by the maroon line.

## **General Fund Section — REVENUE**

**CHART 4: General Fund Total Income Tax Collections by Type**

*Additional Data can be found in Appendix A: General Fund YTD Revenue Analysis*

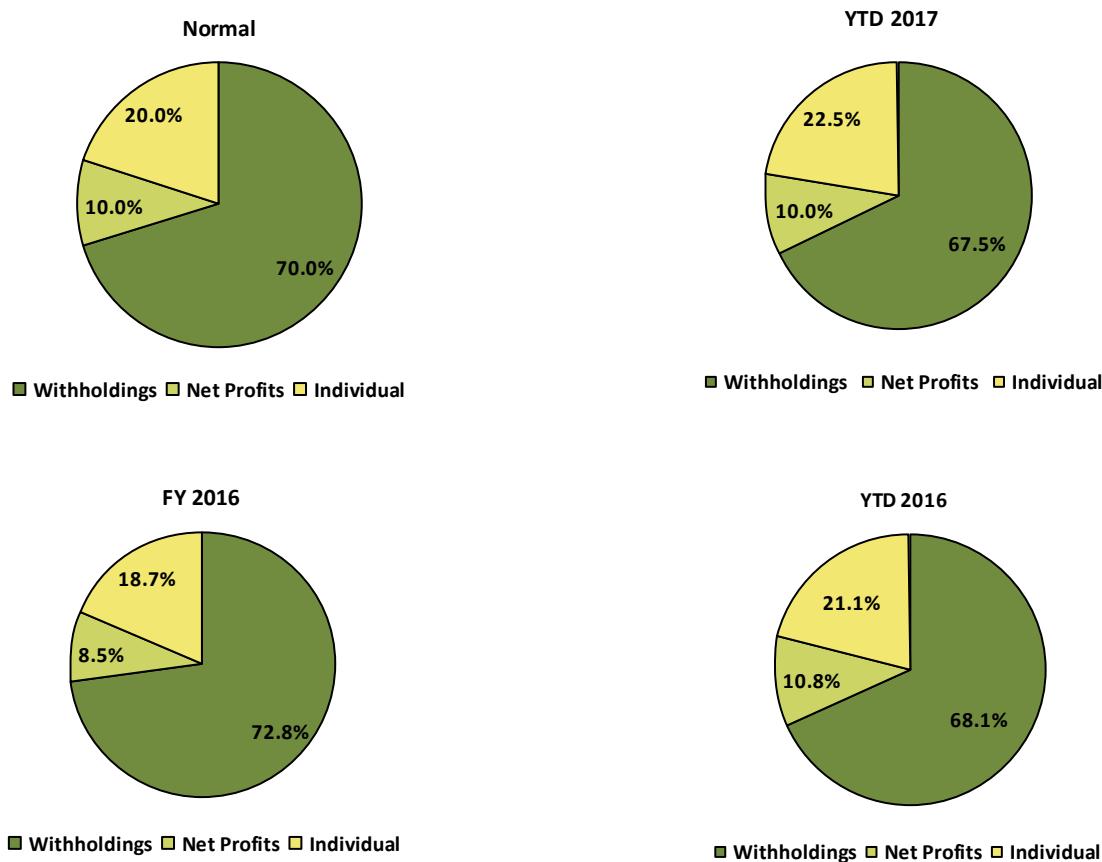

This graph shows the YTD income tax for the last five years. Withholdings are the most important income tax performance indicator. Increased payroll deductions are indications of job, wage, and economic growth. The area of caution relating to income tax performance is Net Profits. Net profit taxes are volatile and similar in nature to company stock performance.

## ***General Fund Section — REVENUE***

**CHART 5: General Fund Total Income Tax Distribution**

*Additional Data can be found in Appendix A: General Fund YTD Revenue Analysis*

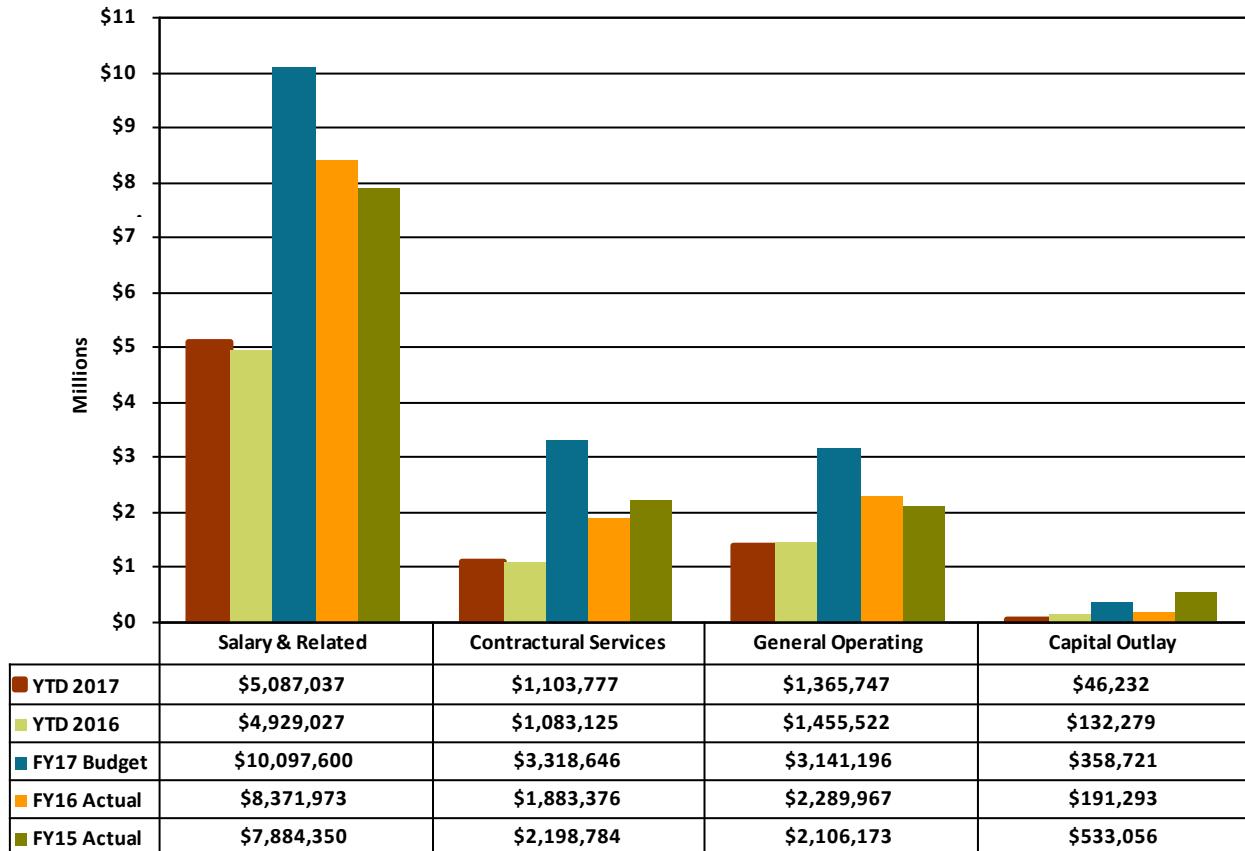

The pie chart titled 'Normal' shows the historical average breakdown of Income Tax collections. Currently, YTD Withholdings represent 67.5% of the total.

## General Fund Section — EXPENSE

**CHART 6: General Fund Expenditures by Category**

*Additional Data can be found in Appendix A: General Fund YTD Expenditure Analysis*

## **All Funds Section — SUMMARY OF FINANCIAL RESULTS**

### **Long Term Analysis**

All funds other than the General Fund fall into four major fund types:

1. Special Revenue — a fund with a specific revenue source like a grant or TIF project with restricted expenditure requirements
2. Debt Service — the fund used for principal and interest payments for city borrowings
3. Capital Project — a fund used to pay for capital projects or infrastructure
4. Agency — a fund used for collection and distribution purposes (In/Out)

The **YTD Fund Balance Detail**, found in Appendix B, provides information on the financial position of these funds.

The Economic Opportunity Zones (EOZ) funds are useful in obtaining a holistic view of income tax collections. The City has revenue sharing agreements with the New Albany Community Authority, City of Columbus, New Albany-Plain Local School District, Johnstown-Monroe Local School District, and Licking Heights Local School District. Income tax collections within the EOZ are identified and shared based on the revenue sharing agreements for that area. Income taxes realized outside of the EOZs are distributed as follows:

101—General Fund	85%
401—Capital Improvements	12%
404—Park Improvements	3%

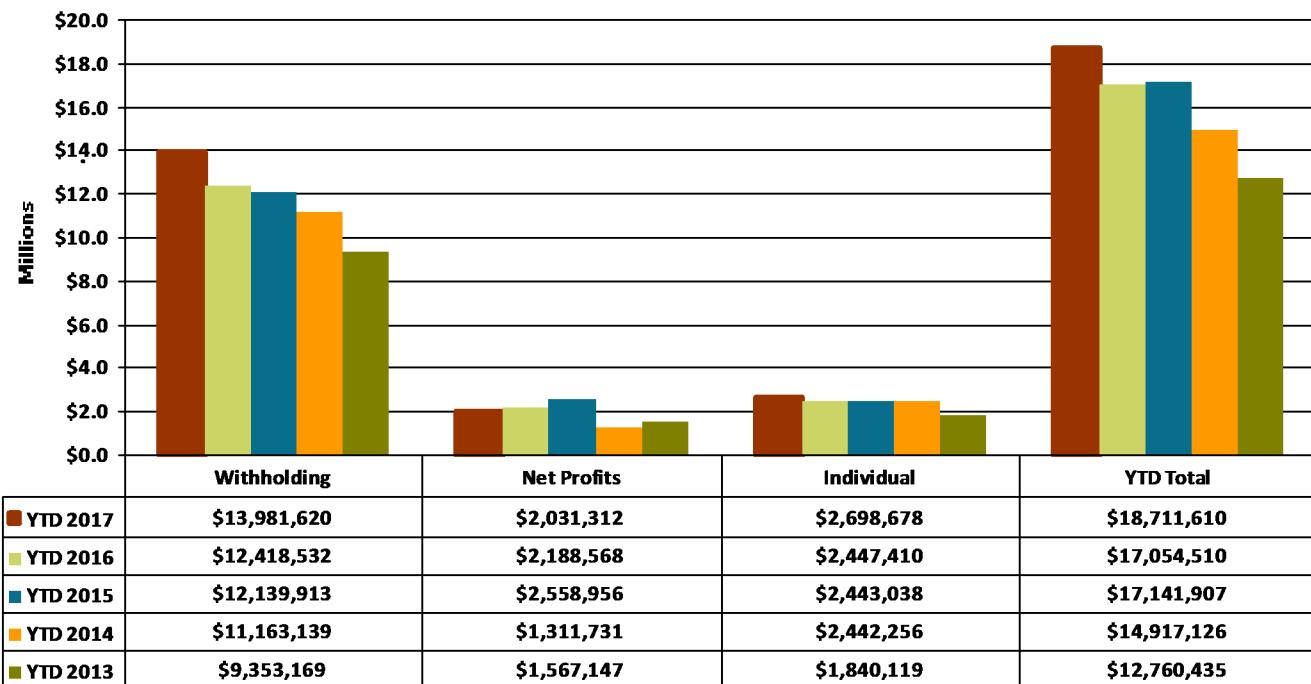

Income tax revenues from the EOZs are distributed as follows depending upon slight variations in the revenue sharing agreements:

New Albany General Fund	20-35%
School District (s)	35%
New Albany Community Authority	0-50%
Infrastructure Fund	0-30%
City of Columbus	0-26%

## All Funds Section — REVENUE

**CHART 7: All Funds Total Income Tax Collections by Type**

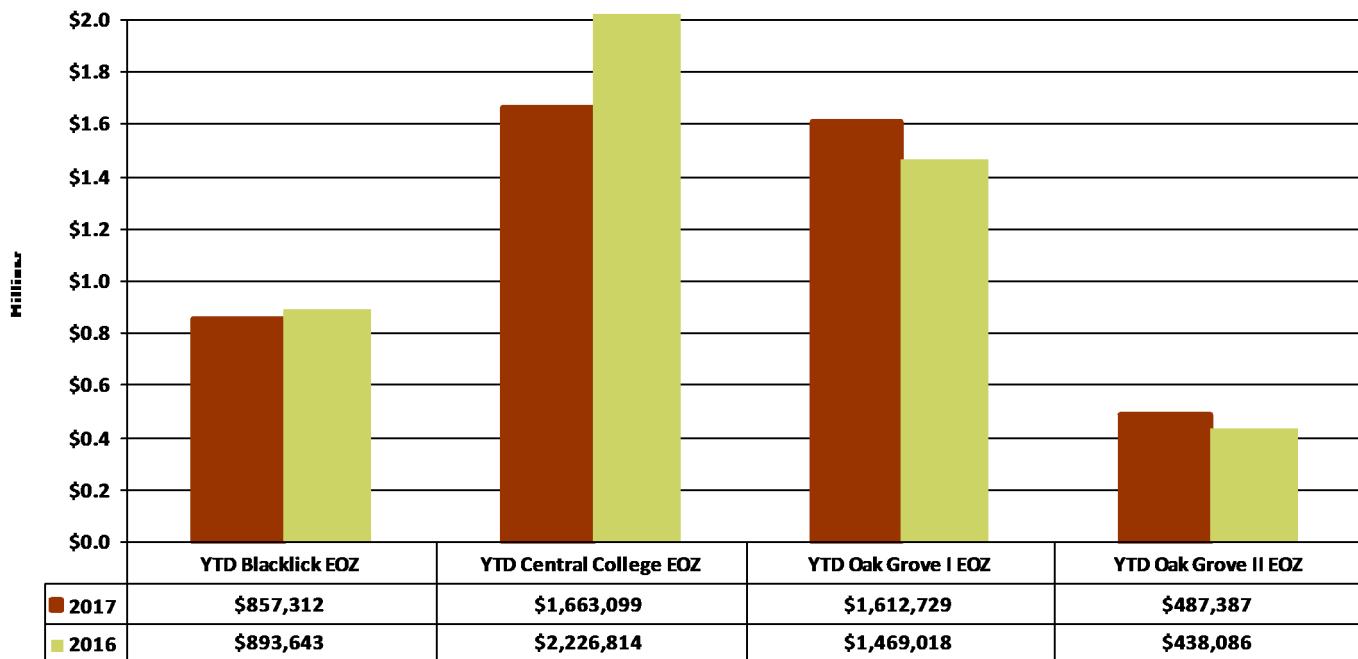

*Additional Data can be found in Appendix B: All Funds YTD Revenue Analysis*

When examining income tax from an All Funds level, the results are consistent with the General Fund yet representative of the Business Park environment.

**CHART 8: EOZ Revenue Sharing YTD 2017 –vs– YTD 2016**

*Additional Data can be found in Appendix B: New Albany EOZ Revenue Sharing*

The EOZ areas provide insight into the breakdown of income tax collections within the Business Park.
