CHAPTER 1113 APPEALS, VARIANCES AND WAIVERS¹

1113.01 APPEALS.

- (a) **Taking of Appeals.** Appeals to the Board of Zoning Appeals concerning interpretation or administration of this Ordinance by a staff member may be taken by any person aggrieved including a tenant, or by a governmental officer, department, board, or bureau, unless otherwise specified in this chapter. Such appeal shall be taken within twenty (20) days after the date of the decision, by filing with the Board of Zoning Appeals, a notice of appeal specifying the grounds thereof.
- (b) **Imminent Peril.** An appeal shall stay all proceedings in furtherance of the action appealed from, unless the City Manager's designee certifies to the Board of Zoning Appeals, after notice of appeal shall have been filed with him, that by reason of facts stated in the application a stay would, in his opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed other than by a restraining order which may, on due cause shown, be granted by the Board of Zoning Appeals, after notice to the City Manager's designee or by judicial proceedings.

(Ord. 30-93. Passed 5-18-93; Ord. O-08-2011. Passed 5-17-11.)

1113.02 NATURE OF VARIANCE AND WAIVER.

- (a) Name, address and phone number of the applicant.
- (b) Legal description of property as recorded in Franklin County Recorder's office.

(Ord. 30-93. Passed 5-18-93; Ord. O-08-2011. Passed 5-17-11.)

1113.04 SUPPLEMENTARY CONDITIONS AND SAFEGUARDS.

In granting any appeal or variance, the Board of Zoning Appeals may prescribe appropriate conditions and safeguards in conformity with this Ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the appeal or variance is granted, shall be deemed a violation of this Ordinance and punishable under Section 1109.99. Under no circumstances shall the Board of Zoning Appeals grant an appeal or variance to allow a use not permissible under the terms of this Ordinance in the district involved, or any use expressly or by implication prohibited by the terms of this Ordinance in said district.

(Ord. 30-93. Passed 5-18-93; Ord. O-08-2011. Passed 5-17-11.)

1113.05 PUBLIC HEARINGS AND NOTICE.

- (a) Public Hearing. The Board of Zoning Appeals shall hold a public hearing within thirty (30) days after receipt of an application for an appeal or variance from staff.
- (b) Notice. Before conducting the required public hearing, notice of the hearing shall be given in one or more newspapers of general circulation in the Municipality at least seven (7) days before the date of said hearing. The notice shall set forth the time and place of the public hearing and the nature of the proposed appeal or variance.

Written notice of the required public hearing shall be mailed by first class mail, at least ten (10) days before the day of the hearing to owners of property within two hundred (200) feet from, contiguous to, and directly across the street from the property being considered.

(Ord. 30-93. Passed 5-18-93; Ord. O-08-2011. Passed 5-17-11.)

1113.06 ACTION BY THE BOARD OF ZONING APPEALS.

Within thirty (30) days after the public hearing, the Board of Zoning Appeals shall either approve, approve with supplementary conditions, or disapprove the request for appeal or variance. The Board of Zoning Appeals shall only approve a variance or approve a variance with supplementary conditions if the following findings are made:

- (a) That special conditions and circumstances exist which are peculiar to the land or structure involved and which are not applicable to other lands or structures in the same zoning district.
- (b) That a literal interpretation of the provisions of the Zoning Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Zoning Ordinance.
- (c) That the special conditions and circumstances do not result from the action of the applicant.
- (d) That granting the variance requested will not confer on the applicant any special privilege that is denied by the Zoning Ordinance to other lands or structures in the same zoning district.
- (e) That granting the variance will not adversely affect the health and safety of persons residing or working in the vicinity of the proposed development, be materially detrimental to the public welfare, or injurious to private property or public improvements in the vicinity.
- (f) Certified copy of the Board's decision shall be transmitted to the applicant, or appellant, and a copy shall be filed with the Community Development Department.

(Ord. 30-93. Passed 5-18-93; Ord. O-08-2011. Passed 5-17-11.)

1113.07 CERTIFICATE OF ZONING COMPLIANCE.

A certificate of zoning compliance may be issued only within the period of one year from the date of final approval by the Board of Zoning Appeals.

(Ord. 30-93. Passed 5-18-93; Ord. O-08-2011. Passed 5-17-11.)

1113.08 ACTION BY BOARD OF ZONING APPEALS.

Within thirty (30) days after the public hearing pursuant to Section 1113.05 or within thirty (30) days of the application if a hearing is not held, the Board of Zoning Appeals shall either approve, approve with supplementary conditions as specified in Section 1113.04, or disapprove the request for appeal or variance. If the application is approved, or approved with supplementary conditions, the Board of Zoning Appeals shall make a finding that the reasons set forth in the application justify the granting of the variance that will make possible a reasonable use of the land, building or structure. If the request for appeal or variance is denied, the applicant may seek relief through the Court of Common Pleas. A written copy of the Board's decision and findings will be provided to the applicant.

(Ord. O-08-2011. Passed 5-17-11.)

1113.09 WAIVERS.

Where specifically defined within the Zoning Ordinance, deviations from certain development standards are subject to the waiver process. A waiver to the standards may be approved by the Architectural Review Board (ARB) upon the request of an applicant as part of a certificate of appropriateness application. In considering a request for a waiver, the ARB shall conduct a public meeting in conjunction with the certificate of appropriateness.

(Ord. O-08-2011. Passed 5-17-11.)

1113.10 APPLICATION FOR WAIVER.

An applicant who wishes to have a requirement of the Zoning Ordinance waived must apply to the ARB through city staff for said waiver in conjunction with a certificate of appropriateness application that will be reviewed by the Architectural Review Board. The applicant must indicate the nature of the waiver sought and provide a statement explaining why the waiver should be granted. Any drawings or other materials needed to support the application, as determined by city staff, shall be submitted with the waiver request.

(Ord. O-08-2011. Passed 5-17-11.)

1113.11 ACTION BY THE ARCHITECTURAL REVIEW BOARD.

Within thirty (30) days after the public meeting, the ARB shall either approve, approve with supplementary conditions, or disapprove the request for a waiver. The ARB shall only approve a waiver or approve a waiver with supplementary conditions if the ARB finds that the waiver, if granted, would:

- (a) Provide an appropriate design or pattern of development considering the context in which the development is proposed and the purpose of the particular standard. In evaluating the context as it is used in the criteria, the ARB may consider the relationship of the proposed development with adjacent structures, the immediate neighborhood setting, or a broader vicinity to determine if the waiver is warranted;
- (b) Substantially meet the intent of the standard that the applicant is attempting to seek a waiver from, and fit within the goals of the Village Center Strategic Plan, Land Use Strategic Plan and the Design Guidelines and Requirements;
- (c) Be necessary for reasons of fairness due to unusual building, structure, or site - specific condition~~constraints~~; and
- (d) Not detrimentally affect the public health, safety or general welfare.

(Ord. O-08-2011. Passed 5-17-11.)

ANNEXATION AGREEMENT

THIS ANNEXATION AGREEMENT (this "Agreement"), is entered into as of the last date of signature below (the "Effective Date") by and between the City of New Albany, Ohio (the "City"), an Ohio Charter municipal corporation having its address at 99 W. Main Street, New Albany, Ohio 43054, and the Township of Jersey, Licking County, Ohio (the "Township"), a township duly organized and validly existing under the laws of the State of Ohio having its address at 1481 Mink Street, Pataskala, Ohio 43062.

W I T N E S S E T H:

WHEREAS, the City and the Township share certain boundaries and therefore have a mutual interest in the general area found east of Beech Road, west of Harrison Road, north of Smith's Mill Loop Road and south of Jug Street as illustrated in Exhibit A and described in Exhibit B; and

WHEREAS, the City and the Township desire to maintain a cooperative relationship that will foster economic development within the property and to provide for public infrastructure improvements that will serve the residents and property owners of the City and the Township; and

WHEREAS, in furtherance of this relationship, the City and the Township desire to enter this Agreement to memorialize the terms of their mutual agreement on the procedure under which the future annexation of the Property to the City will occur in order to ensure that such annexation is completed in accordance with the procedure that has been historically utilized by the City; and

WHEREAS, the City desires to work in good faith with the Township in order to identify certain public infrastructure improvements that the City will construct and fund in the general vicinity of the Property that will serve residents and property owners in the Township and the City.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements hereinafter set forth, the parties hereby agree as follows:

1. **Territory Defined:** This Agreement shall cover and be applicable only to the Property, which is presently located within the boundaries of the Township. The boundaries of the Property shall not be reduced, enlarged, modified, or altered in any way except by written consent approved and given by the legislative authorities of both the City and the Township by means of appropriate action authorizing such reduction, enlargement, modification, or alteration. Any changes to the boundaries of the Property shall require a written amendment to this Agreement.
2. **Annexation of the Property:** On or after the Effective Date, all or part of the Property shall, upon proper petition(s) to and with the final approval of the Licking County Board of Commissioners (the "Commissioners"), be annexed to and accepted by the City under the conditions hereinafter set forth in this Section 2 and subject to all other conditions and limitations in this Agreement. It is anticipated that the real property identified in Exhibits A and B attached hereto and incorporated by reference will be the subject of an annexation petition to be filed with the Commissioners soon after the Effective Date.

- A. Procedure: Annexations of all or part of the Property to the City shall be filed pursuant to and comply with the provisions of Sections 709.021 and 709.022 of the Ohio Revised Code, as such provisions exist on the Effective Date. It is the intention of the parties to require any petition seeking to annex all or a portion of the Property to the City to be filed pursuant to and in compliance with the provisions of Sections 709.021 and 709.022 of the Ohio Revised Code as set forth in this Section 2.A, and to prohibit the City from assisting or accepting an annexation petition concerning the Property which fails to comply with this requirement.
 - B. Effect of Annexation: Immediately following both (i) the approval of a particular annexation petition affecting all or part of the Property by the Commissioners and (ii) the City's acceptance into municipal boundaries of the real property affected by the petition(s), then the annexed property shall be treated and viewed with the same legal effect as if it had been approved as an annexation completed under Section 709.02 of the Ohio Revised Code. Should, at any time, any Property annexed into the City, pursuant to this Agreement, be excluded from the Township, the City shall compensate the Township as in accordance with Section 709.19 of the Ohio Revised Code.
 - C. In the event that the annexed Properties' redevelopment and associated change in use from agricultural and/or residential uses to commercial use results in a reduction in the total aggregate property tax revenue received by the Township from the Property in tax years 2020 through 2025, when compared with property tax revenue received by the Township for tax year 2019 (January 1, 2019 tax lien date) (Baseline Year), the City agrees to compensate the Township annually in an amount equal to any such aggregate reduction in said property tax revenue. In the event any of the parcels which make up the Property are combined with other parcels not subject to this Agreement, then in that case, the total tax property revenue received by the Township for such combined parcel(s) shall be utilized in the comparison calculation to the Baseline Year.
 - D. Cooperative Efforts: Upon the filing of any annexation petition concerning all or part of the Property in accordance with Section 2.A of this Agreement, the Township and the City shall cooperate in good faith to facilitate the approval and success of such petition. In such an instance, each party shall refrain from taking any action that would directly or indirectly delay the annexation process or endanger the possible approval of the annexation petition by the Commissioners.
3. Tax Increment Financing (TIF) in Jersey Township: If the City redirects real property tax revenue through Tax Increment Financing (TIF), then, by May 1 and November 1 of the year following the year in which the (TIF) becomes effective, and continuing each year thereafter, for the duration of the TIF the City shall pay to the Township an amount equal to the real property tax revenue the Township would have received during the previous calendar year, exclusively from all property tax levies for fire and emergency medical services (EMS), had the TIF not been granted by the City (the "Fire & EMS Payment").

4. **Public Infrastructure:** In addition to their agreement regarding annexation of the Property as provided in Section 2 above, the City and the Township desire to work cooperatively to identify new public infrastructure improvements that may be necessary to serve areas in the vicinity of the Property. To this end, the City and the Township acknowledge that certain improvements may need to be made by the City to Jug Street.

The City and the Township shall make reasonable and good faith efforts to identify such public infrastructure improvements in the future as the need arises and to negotiate the specifications and parameters for such improvements. Any commitments regarding the construction and/or financing of improvements as contemplated in this Section 3 shall require the prior approval of the New Albany City Council.

5. **Miscellaneous:**

- A. The term of this Agreement shall commence on the Effective Date and shall terminate at 11:59 p.m. on the fiftieth (50th) anniversary of the Effective Date (the "Initial Term"). Unless the legislative authority of the City or the Township, at least ninety (90) days before the expiration of the Initial Term or any subsequent term as provided herein, acts to terminate the Agreement at the expiration of said term, this Agreement shall automatically renew for consecutive terms of twenty (20) years each, with no limit on the number of renewal terms.
- B. **Notices.** Any notice required to be given hereunder shall be given in writing by ordinary United States mail, postage prepaid, by nationally recognized overnight courier or by hand delivery addressed to the parties at their respective addresses as set forth below.

RESOLUTION R-45-2022

A RESOLUTION AUTHORIZING THE CITY MANAGER TO AMEND THE CONSTRUCTION MANAGER AT RISK CONTRACT FOR THE ROSE RUN II PROJECT TO INCLUDE PHASE 2 OF THE TAYLOR FARM PARK PROJECT

WHEREAS, in 2018, the city undertook a competitive and qualifications-based selection process to procure a construction manager at risk for the Rose Run Park project and a selection committee found Messer Construction as the apparent successful offeror based on qualifications and a Technical and Fee Proposal; and

WHEREAS, on November 9, 2018, council approved R-46-2018 authorizing the city manager to enter into Construction Manager at Risk (CMR) contract with Messer Construction for the purposes of constructing Rose Run Park; and

WHEREAS, Messer Construction delivered the park on-time and under budget; and they demonstrated an unparalleled level of quality control and customer service while working under an accelerated schedule; and

WHEREAS, Council approved R-59-2021 that authorized the city manager to enter into a CMR contract with Messer Construction for the subsequent phase of the Rose Run Park, known as Rose Run II; and

WHEREAS, the City of New Albany is currently developing a destination park called Taylor Farm Park as outlined in the New Albany Parks Framework Plan with the first phase of the park under construction; and the city used a formal, competitive bidding process for phase one and only received one bid; and

WHEREAS, the city desires to continue the development of the park with a second phase of development by including funding in the 2022 and 2023 Capital Budgets; and

WHEREAS, the current economy is experiencing supply chain disruptions and labor shortages that make it difficult to find contractors to deliver projects on time and under budget; and

WHEREAS, the city wishes to amend the CMR contract with Messer Construction to include phase 2 of the Taylor Farm Park to the contract; and

WHEREAS, the amendments to the contract will include adding the scope of the Taylor Farm Park Project phase 2 and specifying that separate Guaranteed Maximum Price (GMP) Amendments will be established for each project outlined in the contract; council will be presented with additional

legislation authorizing the city manager to enter into a Guaranteed Maximum Price Amendment to the contract; and prior to the execution of any GMP Amendments, the city may terminate the CMR contract without cause; and

WHEREAS, the CMR construction delivery method is exempt from traditional competitive bidding requirements under Section 123.32 of the New Albany Codified Ordinances.

NOW, THEREFORE, BE IT RESOLVED by Council for the City of New Albany, Counties of Franklin and Licking, State of Ohio, that:
