**AGREEMENT FOR MAINTENANCE AND IMPROVEMENTS OF
COBBS ROAD**

THIS ROAD MAINTENANCE AGREEMENT (“Agreement”) is made and entered into on this ____ day of December, 2020, by and between the City of New Albany, Ohio, an Ohio Municipal Corporation (“New Albany” or the “City”) and the Board of Commissioners of Licking County, Ohio, a political subdivision of the State of Ohio (“Licking County” or the “County”). New Albany and Licking County are referred to individually herein as “Party” and collectively as “Parties.”

WITNESSETH

In consideration of the terms and conditions hereinafter stated, the Parties agree as follows:

SECTION 1: AUTHORITY

Section 5535.01 of the Ohio Revised Code requires that county roads be maintained by the board of county commissioners.

Section 307.15 of the Ohio Revised Code provides that a board of county commissioners may enter into agreements with the legislative authority of any municipal corporation whereby the legislative authority of any municipal corporation undertakes, and is authorized by the board of county commissioners, to exercise any power, perform any function, or render any service, on behalf of the county or the board, that the county or the board may exercise, perform, or render.

SECTION 2: PURPOSE

Cobbs Road is a county road located in Licking County. Pursuant to the upcoming annexation of real property located in Jersey Township, Licking County to the City of New Albany, the Parties desire to address the maintenance of certain portions of Cobbs Road, which upon finalization of the aforementioned annexation will be adjacent to and partially within the City’s corporate boundary. Accordingly, this Agreement shall set forth the responsibility for maintenance and improvement for portions of Cobbs Road by the respective Parties for the mutual benefit of all Parties and for the convenience and welfare of the public.

SECTION 3: RESPONSIBILITY OF NEW ALBANY

NEW ALBANY shall be responsible for maintenance and improvement of the Cobbs Road right-of-way, now and as may be altered in the future. Said maintenance responsibility shall include pavement repair and replacement, snow removal, regulatory signage, guard rail and striping.

The City’s agreed maintenance responsibility for the entire length of Cobbs Road, exceeds its obligation under Section 307.15 of the Ohio Revised Code. The City shall accept said

maintenance responsibility in exchange for the County's continued maintenance of the roadside drainage ditches on both sides of Cobbs Road. The County shall also replace all existing, damaged guard rail prior to the acceptance of the annexation by the City.

The City shall provide the County the opportunity to review construction plans and provide input relative to the design of the improvements within the right of way; however the City shall maintain final authority over the design, construction and inspection of the improvements. Notwithstanding the forgoing provisions of this paragraph, all permitting authority shall remain with the agency that has the underlying jurisdiction over the road right-of-way.

Licking County shall cooperate with the City through the support of grant applications and may, at the request of the City, provide supplemental, in-house engineering services to facilitate improvements to Cobbs Road.

Nothing in this Agreement shall relieve Licking County from its responsibility for maintenance and improvements of all other portions of Cobbs Road right-of-way.

Nothing in this Agreement shall be construed as to alter the reported inventory mileage of Cobbs Road to other agencies.

SECTION 4: ACQUISITION OF ADDITIONAL RIGHT OF WAY

The Parties shall cooperate to acquire necessary rights of way for any project undertaken pursuant to this Agreement. Each Party shall be responsible for acquiring necessary rights of way within the bounds of their respective jurisdictions unless otherwise specified in a separate agreement. As Cobbs Road is designated as a county road, it is understood that the Licking County Commissioners have underlying ownership of the right of way.

SECTION 5: NOTICE OF IMPROVEMENT

If the Licking County Engineer desires to perform maintenance or make an improvement to Cobbs Road that requires the partial closing of the road to traffic, said Engineer shall notify the New Albany Engineer of the planned action at the earliest date practicable. The plans for the maintenance project of the improvement shall provide for the maintenance of traffic as set forth by Section 5543.17 of the Ohio Revised Code.

SECTION 6: TERM

This Agreement shall become effective on the date first written above. The term shall terminate on December 31, 2030, unless the Parties mutually agree to an extension prior to that date.

SECTION 7: TERMINATION OF AGREEMENT

For the benefit of both Parties and the convenience and welfare of the public, this Agreement may only be unilaterally terminated or suspended for good cause shown. Accordingly, either

Party may unilaterally terminate or suspend this Agreement upon filing notice with the other Party at least one year in advance of the effective date of termination or suspension, stating the intention of the Party to terminate or suspend the Agreement and setting forth the basis of such termination or suspension. However, the Parties may mutually agree to terminate or suspend this Agreement at any time for any reason.

Lastly, this Agreement will automatically terminate if and at such time that the entirety of Cobbs Road and its adjacent right-of-way becomes the responsibility of New Albany via annexation.

SECTION 8: MISCELLANEOUS TERMS AND CONDITIONS

- 8.1 Entire Agreement: This Agreement, and any documents incorporated by reference herein, shall constitute the entire understanding and agreement between the Parties, shall supersede all prior understandings and agreements relating to the subject matter hereof, and may only be amended in writing with the mutual consent and agreement of the Parties, except as provided in Section 7 of this Agreement.
- 8.2 Governing Law: This Agreement shall be governed by and interpreted in accordance with the laws of the State of Ohio. Any and all legal disputes arising from this Agreement shall be filed in and heard before the courts of Licking County, Ohio.
- 8.3 Headings: The subject headings of the Sections and Subsections in this Agreement are included for purposes of convenience only and shall not affect the construction or interpretation of any of its provisions. This Agreement shall be deemed to have been drafted by both Parties and no purposes of interpretation shall be made to the contrary.
- 8.4 Waivers: No waiver of breach of any provision of this Agreement shall in any way constitute a waiver of any prior, concurrent, subsequent, or future breach of this Agreement or any other provision hereof. No term or provision of this Agreement shall be deemed waived, and no breach excused, unless such a waiver or consent is expressly made in writing and signed by the party claimed to have waived or consented. Such waiver or consent is expressly made in writing and signed by the party claimed to have waived or consented. Such waiver shall not constitute and shall not in any way be interpreted as a waiver of any other term or provision or future breach unless said waiver expressly states an intention to waive another specific term or provision or future breach.
- 8.5 Severability: If any item, condition, portion, or section of this Agreement or the application thereof to any person, premises, or circumstance shall to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition, provision, or section to persons, premises, or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Agreement and all the terms, conditions, provisions, or sections hereof shall, in all other respects, continue to be effective and to be complied with.

ATTEST:

IN EXECUTION WHEREOF, the Parties have caused this Agreement to be executed in their names by their respective duly authorized representatives on the date first written above.

In the unlikely event that either party violates this provision, such party will pay the other party a recruiting fee equal to the employee's current annual compensation, which the parties agree is a reasonable estimate of actual damages in lost revenues, recruiting fees and productivity costs associated with a replacement.

Each party shall bear half the costs of mediation. In the event the dispute is

not resolved in mediation, the parties agree to arbitrate any dispute arising under this Agreement before an arbitrator under the auspices of the American Arbitration Association. The mediation and, if necessary, the arbitration shall take place in Delaware or Franklin County, Ohio in the office of the American Arbitration Association closest to that county. In the event that arbitration is necessary, the prevailing party shall have its costs associated with the arbitration, including its reasonable attorneys' fees, paid by the other party.

X. FAILURE OF SUPPLIERS; FORCE MAJEURE

Neither party shall be deemed in default of this Agreement to the extent that performance of its obligations (other than your payment obligations) or attempts to cure any breach are delayed or prevented by reason of any act of God, fire, natural disaster, accident, riots, acts of government, acts of war or terrorism, shortage of materials or supplies, failure of transportation or communications or of suppliers of goods or services, or any other cause beyond the reasonable control of such party. In addition, although we shall endeavor to guard against any loss to you as the result of the failure of media or suppliers to properly execute their commitments, we will not be responsible for their failure or their other acts or omissions. The Client further agrees to impose a similar notification requirement on all contractors in its Client/Contractor contract and shall require all subcontracts at any level to contain a like requirement. Failure by the Client and the Client's contractors or subcontractors to notify the Consultant shall relieve the Consultant of the costs of remedying the defects above the sum such remedy would have cost had prompt notification been given when such defects were first discovered.

Both the Client and the Consultant shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in this project.

The Consultant shall notify the Client of the changed conditions necessitating re-negotiation, and the Consultant and the Client shall promptly and in good faith enter into re-negotiation of this Agreement to address the changed conditions.
