Authorization

Company warrants and represents that (a) Company is duly organized, validly existing, and in good standing in the jurisdiction in which it is organized; (b) there are no provisions of any law, or any certificate of incorporation, certificate of organization, by-laws, operating agreement, partnership agreement, or any agreement of any kind, nature or description binding upon Company which prohibits Company from entering into or performing under this Agreement; (c) Company's execution and performance of this Agreement has been duly authorized; and, (d) this Agreement is a binding obligation of Company. Huntington will be entitled to rely on any written notice or other communication believed by it in good faith to be genuine and to have been signed or authorized by an authorized representative of Company, and any such communication will be deemed to have been authorized by such person.

Use of Cards

Company and its Authorized Users will use the Cards only for business purposes involving the procurement of goods and/or services for Company. Card use for any illegal or illicit purpose or consumer purposes is prohibited. Card use prior to activation or after the expiration date is prohibited. Card use in violation of the preceding prohibitions does not relieve Company from the obligation of paying any outstanding Card balance created.

Company at its sole discretion will assign Cards to its employees, contractors or others having a close business relationship with Company. However, Company must submit a request to Huntington to create any and all Department Cards. Each cardholder, or person who has the ability to use a Department Card, becomes an Authorized User. Company shall provide Huntington with Authorized User information, including names and other identifying information, which will be stored and used by Huntington for servicing and regulatory purposes including compliance with the USA PATRIOT ACT. Company is responsible for obtaining any necessary consent for Authorized User information collection, use and disclosure to Huntington. Huntington reserves the right to investigate the identity of any existing or proposed Authorized User by obtaining, verifying, and recording personally identifying information, and may obtain such information from third parties. Huntington reserves the right to refuse, block or revoke any Authorized User access.

Huntington may allow Company to establish Virtual Cards under the Account. Cash advances are not permitted on Virtual Cards. Virtual Card transactions may be made at the direction of one or more Authorized Virtual Card Representatives of Company in accordance with this Agreement. The Authorized Virtual Card Representative(s) of Company will be provided with a unique User ID and password that will allow access to the online system (which is a separate system than that described later

in this Agreement, which is utilized by the Program Administrator) that is used to create, modify and close Virtual Cards.

An Authorized User may sign a sales draft presented by the merchant which is processed by the merchant's financial institution; provided, however, that the absence of a sales draft and/or failure to sign a sales draft shall not relieve Company of its obligations to pay any outstanding balance charged against the Account. Merchants may be required to request an authorization from Huntington before completing a Card transaction. If Company advises Huntington of its desire to restrict a certain type of Card transaction(s) identified by Merchant Category Code(s), Huntington will take commercially reasonable steps to assure that these types of Card transactions are not authorized. However, Huntington will not be liable if a merchant nonetheless accepts a Card for unauthorized transactions, or does not request an authorization at all.

Huntington reserves the right to deny the authorization of any transaction based on suspicion of fraudulent activity, unauthorized use, illicit or illegal use, or for any other reason. Transactions will not be authorized if any third-party data processor is not online or is otherwise not operational. Huntington is not liable for failure to authorize a transaction for any reason.

Foreign Card transactions will be added to the outstanding balance in US Dollars. If a Card transaction occurs in a currency other than US Dollars, the Card networks will convert the transaction into US Dollars using their currency conversion procedures. Foreign Card transactions may also be subject to International Transaction Fees as detailed in the Fee Schedule. The Integrated Payables service is not to be used for foreign currency transactions.

Except for Virtual Cards, Card access may include the ability to access cash via a teller in a financial institution branch or ATM withdrawal. Cash advances may also be subject to fees as detailed in the Fee Schedule. Huntington is not responsible for unauthorized cash advances. Huntington may limit the amount of the credit line that can be accessed in cash.

Company promises to pay the outstanding balance of all Card transactions, including any applicable fees, in full on the due date set forth on each billing statement. Fees are detailed in the Fee Schedule. If any payment is made after the statement due date, or if any amount remains outstanding after the statement due date, Company will be charged a Late Fee per the Fee Schedule.

If Company desires to terminate access to the Account by any Authorized User, it will 1) retrieve and destroy the Card and any online interface credentials provided to such Authorized User, and 2) notify Huntington. Huntington will have a reasonable amount of time to act on this request. Termination of access to a Card or any other services does not relieve Company from the obligation of paying any outstanding Card balance created before Card access termination. Company will establish rules and procedures for its employees' use of Cards and any other access to the services provided to guard against fraudulent use and to assure that such use is only for business purposes and not any illegal or illicit purpose.

Integrated Payables Service

The Integrated Payables service enables Company to make payments to vendors through an online interface via Virtual Cards, ACH transactions and/or checks as described herein and also may include the TM Services. Huntington may attempt to process each payment through the Integrated Payables service as a Virtual Card transaction. If the vendor does not accept the Virtual Card payment, Huntington may then attempt to process the payment as an ACH payment. If the vendor does not accept an ACH payment, Huntington will process the payment as a check. The Integrated Payables service requires Virtual Cards, a Demand Deposit Account dedicated to the Integrated Payables service and the check positive pay service from the Business Security Suite.

Company shall provide to Huntington in electronic format the data requested by Huntington to process all payments. The form and format of said data shall conform to those certain technical specifications used by Huntington to perform the services hereunder and provided to Company. Huntington shall have final approval on the form and format of all materials to be produced hereunder to assure conformity and

compatibility with Huntington's software and equipment. Huntington shall initiate the payments for Virtual Card and ACH payments in accordance with this Commercial Card Account Agreement, the Huntington Commercial Card Rebate & ACH Authorization and the TM Services. In order to process check payments, a test payment file, digital signature, and the Client Information Sheet that includes fixed text to be used in the free form area of the check must be completed and sent to Huntington at least 30 days prior to the requested production date in order to perform programming and set up.

When Huntington prints and mails checks to payees, Huntington will use the data supplied by Company. Checks will be printed on typical commercial check stock in the commercial check layout and will be mailed in standard #10 business envelopes. All payees may be compared against the Office of Foreign Asset Control's ("OFAC") Specially Designated Nationals ("SDN") list or any other list compiled by OFAC or any United States government authority (taken together as "Government Regulators"). Huntington may stop payment on any check printed in which a payee is a match or a potential match to a person or entity named in the SDN list or any other list compiled by Government Regulators. Huntington will notify Company in the event Huntington stops payment on a check. All mailings will be sent by First Class mail, when applicable, at a discount postal rate. Huntington may unilaterally modify the fees charged hereunder at any time to account for postage rate increases as announced by the United States Postal Service. Check positive pay is a TM Services fraud protection product to be used in conjunction with check issuance. A "checks issued" file will be uploaded directly to an online interface provided by Huntington. Company will be responsible for reviewing and dispositioning any exceptions identified by the check positive pay service. Huntington will be responsible for the quality of the output of all mailings. Huntington will not be responsible for the integrity or accuracy of the data received from Company in order to generate such mailings. If Huntington determines that any address provided by Company is invalid or not in the proper format, the payment data will be returned to Company for address verification and correction.

The ACH, check positive pay, other fraud prevention services and other transactional services available to Company are further described in the Treasury Management Services Agreement, which upon execution by the parties becomes part of this Agreement.

If Company desires to terminate access to the Account by any person, it will 1) retrieve and destroy the Card and any online interface credentials provided to such person, and 2) notify Huntington. Huntington will have a reasonable amount of time to act on this request. Termination of access to a Card or any other services does not relieve Company from the obligation of paying any outstanding balance created before access termination. Company will establish rules and procedures for its employees' use of Cards and any other access to the services provided to guard against fraudulent use and to assure that such use is only for business purposes and not any illegal or illicit purpose.

Credit Limit and Liability; Pricing

Company may be assigned a credit limit for the Account. Company at its sole discretion may assign separate credit limits to each Card including Virtual Cards. At no time will the aggregate total of all outstanding purchases, cash advances, finance charges, and fees on all Cards exceed the Account credit limit. If the aggregate balance should exceed the Account credit limit, Huntington may demand immediate payment of any amount in excess of the Account credit limit and/or assess an Over Limit fee as detailed in the Fee Schedule.

Huntington will process and settle Card transactions on behalf of Company during the Billing Cycle. Huntington will provide an Account billing statement at the end of each Billing Cycle.

Payment from the Demand Deposit Account

Company must maintain the Demand Deposit Account in good standing with Huntington. Company agrees to make payment in full for any outstanding Account balance by the due date noted on each billing statement. Unless Company notifies Huntington that it will tender monthly payments via another method,

Huntington will debit the Demand Deposit Account each month, on the due date, for the Account balance. If there are insufficient funds in the Demand Deposit Account on a payment due date, Company is still responsible for paying the entire outstanding balance on the Account on or before the due date indicated on the statement. Huntington may credit the Demand Deposit Account for any amount received by Huntington for which Huntington has previously received payment from Company.

Rebates

Huntington may offer rebate Programs to Company. The details of any rebate Program will be presented to Company in an addendum to this Agreement.

Online Program Administration

Company will be provided with online interfaces in order to manage the Account, including ordering and assigning Cards, setting and changing individual Card limits, setting and changing authorized Merchant Category Codes, restricting Card access and blocking Cards, and viewing transaction histories. The online interfaces also include reporting capability. Company must obtain or have the appropriate equipment and internet capabilities necessary to access each online interface, and Company must set software to the appropriate security settings. Company must obtain or have the appropriate firewalls, anti-spyware software, anti-viral software, network security, and environmental security to prevent unauthorized access to each online interface. Company must be aware of latest phishing, pharming or similar scams, and Company is solely responsible for any loss, liability or damage relating to such scams. Company is responsible for obtaining and maintaining Company's communications link to each online interface and to ensure that Company's use of such communications link is in compliance with applicable requirements, including any requirements of telecommunications companies and authorities.

Company will assign and maintain at least one Program Administrator in accordance with Huntington's security procedures. Huntington will add the Company Program Administrator(s) to each online interface and Program Administrator will have all available rights for access to and use of each online interface. Use of an online interface is deemed to be acceptance of the terms and conditions of the related services. Program Administrator will have the ability to assign additional Administrative Users and also assign their rights to access and use each online interface as appropriate. Assignment of Administrative Users and their associated rights shall be at the sole discretion of the Program Administrator. Huntington will rely on Program Administrator for direction on Company desired changes and deletions of Administrative Users. If there is more than one Program Administrator, Huntington can take direction from any one of them. The designated Program Administrator's name and contact information are included as part of this Agreement and any change to the designated Program Administrator must be in writing on Company letterhead and signed by an individual who 1) executed this Agreement or 2) would currently be authorized to execute this Agreement if the individual(s) who originally executed this Agreement are no longer employed by Company.

In addition to each online interface, Huntington will also provide live operator support for Program Administrators during normal business hours. Huntington will also provide an Authorized User servicing website and live operator support during extended business hours, including weekends.

Security Procedures

Company shall comply with all security procedures established by Huntington. Huntington may at any time change security procedures. Huntington may advise Company of such changes to the extent they affect Company's use of an online interface, but failure to do so will not impact Company's obligations or Huntington's rights. Company acknowledges that the purpose of such security procedures is for verification of authenticity and not to detect an error in a data entry and/or Card configuration. Huntington shall not be liable to Company for the failure of the security procedures to detect such errors. Company is responsible

for establishing and maintaining safeguards against unauthorized access to each online interface and other Huntington systems, and agrees to take reasonable steps to maintain security procedures established by Huntington. Company agrees that any Huntington information, including, but not limited to any Card transaction information that is transmitted or exchanged between Company and Huntington via an unsecured electronic network, such as the internet, must, prior to the key-entry and through transmission of any Huntington information, (1) be encrypted using a commercially reasonable security technology that, at a minimum, is equivalent to 128-bit RC4 encryption technology, or (2) be transmitted via a secure session utilizing a commercially reasonable security technology that provides a level of security that, at a minimum, is equivalent to 128-bit RC4 encryption technology. Storage, transmittal or maintenance of any permanent record of complete Card numbers and other Card information is prohibited. Cardholders should be identified using name and employee number or other identifier. Card numbers should be masked when recorded.

Huntington reserves the right to immediately close any Account regardless of whether unauthorized activity has been reported by Company or not.

Huntington is not liable for any misuse of the service and any unauthorized transaction activity does not relieve Company from the obligation of paying any outstanding balance created by the Integrated Payables service. The TM Services Agreement contains additional terms and conditions which may apply.

Card

If Company or any Authorized User believes that someone is using a Card, including a Virtual Card, without permission, Company must notify Huntington immediately by calling (866) 643-4203. Company agrees to cooperate with Huntington on any unauthorized Card use investigations, including filing police reports or completing Cardholder affidavits as necessary. Huntington reserves the right to immediately close any Account regardless of whether unauthorized activity has been reported by Company or not.

Huntington is not liable for any misuse of a Card that has not been cancelled and unauthorized transaction activity does not relieve Company from the obligation of paying any outstanding Card balance created. Mastercard may provide at no cost to the Company a liability protection program. Terms and conditions may apply.

Fraud Alerts

Huntington provides Confirm It Fraud Alerts for the Cards. Confirm It is a free service that automatically notifies cardholders of suspicious activity on their Card via text, email and/or automated phone call. Cardholders will not be charged for Confirm It texts. Message frequency varies and depends on Card use. Mobile carriers are not liable for delayed or undelivered messages. For more information, call (866) 643-4203. Please note: Cardholders can opt out of Confirm It texts and/or automated phone calls at any time. Opting out applies to the Card. To opt out of receiving Confirm It texts after receiving a fraud alert, text STOP to 49847. By texting STOP to 49847, the cardholder agrees to one additional confirmation message stating that the cardholder has opted out and will no longer receive text messages from Huntington Confirm

It. For help after receiving a fraud alert, text HELP to 49847. To opt out of automated phone call fraud alerts, call (866) 643-4203.

Termination

Notwithstanding the foregoing, in the event of fraud, suspected fraud, illegal or suspicious activity, suspected illegal or suspicious activity, regulatory compliance, administrative order, judicial order, or default under this Agreement, Huntington may terminate this Agreement, and/or revoke any or all Cards issued in connection with the Account, or any Virtual Cards established under the Account, immediately without notice (or immediately with notice if legally required), but Huntington will use its best efforts to provide notice after termination if permitted by law. If Company wishes to terminate this Agreement, then Company must provide written notice to Huntington, which termination will be effective thirty (30) days after Huntington receives notice. No termination by either party shall relieve Company from responsibility for any charges to the Account after the date of any notice and before the effective date of such notice. In the event of any termination, any outstanding balance on the Account will be due and payable as of the effective date of the termination.

Financial Information

Company shall, upon Huntington's request, promptly provide Huntington with financial information and statements as Huntington determines to be reasonably necessary or appropriate to enable Huntington to review Company's financial condition. Huntington may also periodically review reports from third party reporting agencies regarding Company's financial condition.

Company agrees to notify Huntington of any errors or discrepancies with respect to Card transactions, including Virtual Card transactions, within sixty (60) days after receipt of the same which contain such errors or discrepancies. Commercial Card Account Agreement Rebate Addendum

Company wishes to establish a commercial Card Account per the terms of Huntington's Commercial Card Account Agreement. The terms of this Addendum supplement those terms.

In consideration for Company's use of its commercial Card Account in accordance with the terms of the Commercial Card Account Agreement and the payment terms detailed below, Huntington agrees to pay Company a Rebate based on Eligible Spend Volume and the Rebate Schedule set forth below subject to the terms and exclusions detailed below:

Billing Cycle and Payment Due Date

The Billing Cycle is monthly and ends on the same calendar day each month.

Payment of the outstanding balance, including any applicable fees, is due in full on the payment due date shown on Company's monthly billing statement. The payment due date is the 20th day after the Billing Cycle end date. However, if the payment due date falls on a Saturday, Sunday, or "holiday," which is defined as New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Easter, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, and Christmas Day, the payment will be due the next business day.

Rebate Schedule

Huntington will pay Company a Rebate payment following the Billing Cycle for which the Rebate is earned by initiating a credit to Company's Huntington Rebate checking account.

The Rebate rate earned on all Eligible Spend Volume*: 50 bps (.50%)

The Rebate will be calculated by multiplying the Rebate rate by the Eligible Spend Volume* for the Billing Cycle.

Company is eligible to receive an annual Rebate payment from Huntington if the calendar year Eligible Spend Volume* falls within one of the Eligible Spend Volume rows in the Annual Rebate Tiers table below. The annual Rebate payment will be calculated as follows:

Eligible Spend Volume* minus special discounted merchant interchange transactions (e.g. large ticket transactions) multiplied by the applicable annual Rebate rate.

Annual Rebate Tiers:

Eligible Spend Volume	Annual Rebate Rate	Total Rebate Rate (Annual Rebate plus Billing Cycle Rebate Rate)
\$1,000,000 - \$1,499,999	50 bps (.50%)	100 bps (1.00%)
\$1,500,000 - \$1,999,999	65 bps (.65%)	115 bps (1.15%)
\$2,000,000 - \$2,999,999	75 bps (.75%)	125 bps (1.25%)
\$3,000,000 - \$4,999,999	85 bps (.85%)	135 bps (1.35%)
\$5,000,000 - \$9,999,999	95 bps (.95%)	145 bps (1.45%)
\$10,000,000 +	100 bps (1.00%)	150 bps (1.50%)

Huntington will pay out the annual Rebate within 60 days of calendar year end by initiating a credit to Company's Huntington Rebate checking account.

Eligible Spend Volume

*Eligible Spend Volume means net card purchase volume (i.e. gross volume less credits, cash advances and ATM withdrawals).

Terms and Exclusions

Rebates will be paid periodically as described in the Rebate Schedule. Losses due to charge-off or fraud may be deducted from any Rebate payments. If Company's Account is closed by Huntington or Company for any reason, or if Company is in default on any obligation to Huntington, no Rebate will be paid or accrued. If Huntington's and Company's calculation of Rebate differs, Company must accept Huntington's calculation as final.

If changes in rates or a market disruption impacts Huntington's ability to fund the Rebate program or if laws or regulations change and such change negatively impacts Huntington's profitability under the Rebate program, Huntington may change Rebate or other pricing to offset such impacts.

If Huntington experiences more than a 25% decrease in the interchange rate, Rebate compensation may be adjusted proportionately. The Rebate compensation may reset annually based on the prior year's interchange rates.

RESOLUTION R-14-2020

A RESOLUTION TO APPROVE A VARIANCE TO CODIFIED ORDINANCES 1187.02(A) OF THE CITY SUBDIVISION REGULATIONS TO NOT REQUIRE THE INSTALLATION OF STREET INFRASTRUCTURE IMPROVEMENTS FOR THE TIMMONS PLAT AT 5055 JOHNSTOWN ROAD, AS REQUESTED BY LESLIE TIMMONS C/O AARON UINDERHILL

WHEREAS, an application to approve the final plat for the Timmons Subdivision has been submitted; and

WHEREAS, C.O. 1187.02(a) states that when a property is subdivided, street improvements shall consist of grading the right-of-way for full width; construction of curbs or curbed gutter and pavement; construction of draining structures and appurtenances; and

WHEREAS, the Timmons Subdivision and two additional properties are served by an existing private gravel road with a ditch that provides adequate drainage for the area; and,

WHEREAS, the code requirement to construct the street improvements would result in an inconsistent road design and pattern; and

WHEREAS, the 2014 New Albany Strategic Plan does not identify this private road as a future public street nor does it envision any future road connection or extensions in this immediate area; and

WHEREAS, the applicant has submitted a right-of-way dedication agreement to the city to dedicate right-of-way in the future, if desired; and

WHEREAS, the New Albany Planning Commission recommended approval of the variance request at the December 16, 2019 public meeting (V-101-2019).

NOW, THEREFORE, BE IT RESOLVED by Council for the City of New Albany, Counties of Franklin and Licking, State of Ohio, that:

Section 1: Leslie Timmons c/o Aaron Underhill is hereby granted a variance to C.O. 1187.02(a) to not require the installation of street infrastructure improvements for the Timmons Subdivision.

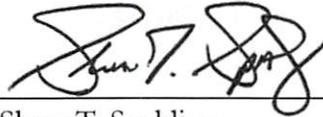

Section 2. It is hereby found and determined that all formal actions of this council concerning and relating to the adoption of this legislation were adopted in an open meeting of the council, and that all deliberations of the council and or any of its committees that resulted in such formal action

were in meetings open to the public, in compliance with all legal requirements, including Section 121 of the Ohio Revised Code.

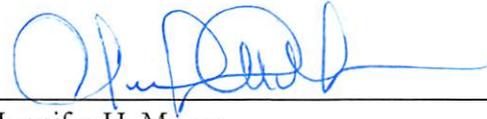

Section 4. Pursuant to Article 6.07(A) of the New Albany Charter, this resolution shall take effect upon adoption.

RESOLUTION R-15-2020

A RESOLUTION TO APPROVE A FEE IN LIEU FOR SIDEWALK CONSTRUCTION AND PARKLAND DEDICATION FOR THE TIMMONS PLAT AT 5055 JOHNSTOWN ROAD AS REQUESTED BY LESLIE TIMMONS C/O AARON UNDERHILL

WHEREAS, Codified Ordinance Chapter 1187.02(d) requires the developer/owner to provide and pay the entire cost of improvements to land including construction of leisure trails and/or sidewalks; and

WHEREAS, Codified Ordinance Chapter 1187.15(A) requires a mandatory parkland dedication with each plat of twenty-four hundred (2,400) square feet per dwelling unit; and

WHEREAS, the city's codified ordinance Sections 1187.15 and 1187.18 set forth a process by which council may approve a fee-in-lieu of sidewalk construction and parkland dedication and a calculation to determine the fee payment; and

WHEREAS, the property is located on a private road that does not currently have any existing sidewalks on either side of the road and is not publically accessible; and

WHEREAS, the New Albany Parks and Trails Advisory Board and Planning Commission reviewed and recommended approval of the parkland dedication fee-in-lieu amount.

NOW, THEREFORE, BE IT RESOLVED by Council for the City of New Albany, Counties of Franklin and Licking, State of Ohio, that:

Section 1: Council hereby agrees that the developer/owner has proven that the construction of the sidewalk is not appropriate due to one of the following conditions outlined in Section 1187.18 of the codified ordinances:

- a. Sidewalk construction is impracticable due to topographical conditions or sidewalk constraints;
- b. Sidewalk do not exist in the area, there is not a likelihood for sidewalks and/or trails to be constructed in the near future, and that a fee in-lieu would better serve the community than a sidewalk or trail installed at the required location.

Section 2. Council hereby adopts a motion establishing a priority for a payment in lieu fees instead of accepting parkland dedication for the subject property.

Section 3. It is hereby found and determined that all formal actions of this council concerning and relating to the adoption of this legislation were adopted in an open meeting of the council, and that all deliberations of the council and or any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements, including Section 121 of the Ohio Revised Code.

Section 4. Pursuant to Article 6.07(A) of the New Albany Charter, this resolution shall take effect upon adoption.
