## DEPARTMENT HIGHLIGHTS

July 2023

### 4th of July

The New Albany Police Department assisted with the community July 4th festivities. Officers worked the parade and 5k run in the morning along with the festival leading up to the evening fireworks. All of the events were successful with a large turn out from the community. The department also held it's annual barbeque for staff and their families to celebrate the holiday in between their shifts on the extended workday.

### Cops & Bobbers

The department hosted its first annual Cops and Bobbers Fishing Derby this month at Bevelhymer Pond. Officer Kelly organized the event and it was extremely successful in its first year with a large turn out and over 340 fish caught! Community outreach events like this one allow officers and department staff to positively interact with community members outside of the typical law enforcement scope. The department would like to thank Cabela's Bass Pro Shops for donating 50 refurbished rods and reels for the event.

### Training– Active Threat/Medical

Officers and dispatchers participated in active threat training at the New Albany Middle School. Active threat training is done annually by the department and doing so in the school helps familiarize officers with the schools' layout and environment. The training focused on moving within the building, decision making and rendering medical aid to the wounded. This year, the department teamed up with the Plain Township Fire Department to practice rescuing the wounded.

### Accreditation

The department is being assessed this year for re-accreditation through the Commission on Accreditation of Law Enforcement Agencies (CALEA). As part of the process, the department welcomed an assessor who conducted an on-site visit to complete inspections, interviews and to view observable operations that help determine if the department is complying with standards. Later this year, the department will appear in front of a CALEA board as the last step in the re-accreditation process.
