ANNEXATION AGREEMENT

THIS ANNEXATION AGREEMENT (this "Agreement"), is entered into as of the last date of signature below (the "Effective Date") by and between the City of New Albany, Ohio (the "City"), an Ohio Charter municipal corporation having its address at 99 W. Main Street, New Albany, Ohio 43054, and the Township of Jersey, Licking County, Ohio (the "Township"), a township duly organized and validly existing under the laws of the State of Ohio having its address at 1481 Mink Street, Pataskala, Ohio 43062.

W I T N E S S E T H:

WHEREAS, the City and the Township share certain boundaries and therefore have a mutual interest in the general area found immediately west of Harrison Road, north of Worthington Road, south of SR161 and east of Beech Road, comprised of six (6) parcels and consisting of approximately 29 +/- acres, as described in Exhibit A and illustrated in Exhibit B; and

WHEREAS, the City and the Township desire to maintain a cooperative relationship that will foster economic development within the property and to provide for public infrastructure improvements that will serve the residents and property owners of the City and the Township; and

WHEREAS, in furtherance of this relationship, the City and the Township desire to enter this Agreement to memorialize the terms of their mutual agreement on the procedure under which the future annexation of the Property to the City will occur in order to ensure that such annexation is completed in accordance with the procedure that has been historically utilized by the City; and

WHEREAS, the City desires to work in good faith with the Township in order to identify certain public infrastructure improvements that the City will construct and fund in the general vicinity of the Property that will serve residents and property owners in the Township and the City.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements hereinafter set forth, the parties hereby agree as follows:

1. **Territory Defined**: This Agreement shall cover and be applicable only to the Property, which is presently located within the boundaries of the Township. The boundaries of the Property shall not be reduced, enlarged, modified, or altered in any way except by written consent approved and given by the legislative authorities of both the City and the Township by means of appropriate action authorizing such reduction, enlargement, modification, or alteration. Any changes to the boundaries of the Property shall require a written amendment to this Agreement.
2. **Annexation of the Property**: On or after the Effective Date, all or part of the Property shall, upon proper petition(s) to and with the final approval of the Licking County Board of Commissioners (the "Commissioners"), be annexed to and accepted by the City under the conditions hereinafter set forth in this Section 2 and subject to all other conditions and limitations in this Agreement. It is anticipated that the real property identified in Exhibits A and B attached hereto and incorporated by reference will be the subject of an annexation petition to be filed with the Commissioners soon after the Effective Date.

EXHIBIT A – R-03-2025

- A. **Procedure:** Annexations of all or part of the Property to the City shall be filed pursuant to and comply with the provisions of Sections 709.021 and 709.022 of the Ohio Revised Code, as such provisions exist on the Effective Date. It is the intention of the parties to require any petition seeking to annex all or a portion of the Property to the City to be filed pursuant to and in compliance with the provisions of Sections 709.021 and 709.022 of the Ohio Revised Code as set forth in this Section 2.A, and to prohibit the City from assisting or accepting an annexation petition concerning the Property which fails to comply with this requirement.

 - B. **Effect of Annexation:** Immediately following both (i) the approval of a particular annexation petition affecting all or part of the Property by the Commissioners and (ii) the City's acceptance into municipal boundaries of the real property affected by the petition(s), then the annexed property shall be treated and viewed with the same legal effect as if it had been approved as an annexation completed under Section 709.02 of the Ohio Revised Code. Should, at any time, any Property annexed into the City, pursuant to this Agreement, be excluded from the Township, the City shall compensate the Township as in accordance with Section 709.19 of the Ohio Revised Code.

 - C. In the event that the annexed Properties' redevelopment and associated change in use from agricultural and/or residential uses to commercial use results in a reduction in the total aggregate property tax revenue received by the Township from the Property in tax years 2025 through 2028, when compared with property tax revenue received by the Township for tax year 2024 (January 1, 2024 tax lien date) (Baseline Year), the City agrees to compensate the Township annually in an amount equal to any such aggregate reduction in said property tax revenue. In the event any of the parcels which make up the Property are combined with other parcels not subject to this Agreement, then in that case, the total tax property revenue received by the Township for such combined parcel(s) shall be utilized in the comparison calculation to the Baseline Year.

 - D. **Cooperative Efforts:** Upon the filing of any annexation petition concerning all or part of the Property in accordance with Section 2.A of this Agreement, the Township and the City shall cooperate in good faith to facilitate the approval and success of such petition. In such an instance, each party shall refrain from taking any action that would directly or indirectly delay the annexation process or endanger the possible approval of the annexation petition by the Commissioners.
3. **Tax Increment Financing (TIF) in Jersey Township:** If the City redirects real property tax revenue through Tax Increment Financing (TIF), then, by May 1 and November 1 of the year following the year in which the (TIF) becomes effective, and continuing each year thereafter, for the duration of the TIF the City shall pay to the Township an amount equal to the real property tax revenue the Township would have received during the previous calendar year, exclusively from all property tax levies for fire and emergency medical services (EMS), had the TIF not been granted by the City (the "Fire & EMS Payment").

EXHIBIT A – R-03-2025

4. **Public Infrastructure:** In addition to their agreement regarding annexation of the Property as provided in Section 2 above, the City and the Township desire to work cooperatively to identify new public infrastructure improvements that may be necessary to serve areas in the vicinity of the Property. To this end, the City and the Township acknowledge that certain improvements may need to be made by the City to Worthington Road including its intersection with Harrison Road.

The City and the Township shall make reasonable and good faith efforts to identify such public infrastructure improvements in the future as the need arises and to negotiate the specifications and parameters for such improvements. Any commitments regarding the construction and/or financing of improvements as contemplated in this Section 4 shall require the prior approval of the New Albany City Council.

5. **Miscellaneous:**

- A. The term of this Agreement shall commence on the Effective Date and shall terminate at 11:59 p.m. on the fiftieth (50th) anniversary of the Effective Date (the "Initial Term"). Unless the legislative authority of the City or the Township, at least ninety (90) days before the expiration of the Initial Term or any subsequent term as provided herein, acts to terminate the Agreement at the expiration of said term, this Agreement shall automatically renew for consecutive terms of twenty (20) years each, with no limit on the number of renewal terms.
- B. **Notices.** Any notice required to be given hereunder shall be given in writing by ordinary United States mail, postage prepaid, by nationally recognized overnight courier or by hand delivery addressed to the parties at their respective addresses as set forth below.

RESOLUTION R-04-2025

A RESOLUTION OF THE CITY OF NEW ALBANY SUPPORTING THE OHIO MUNICIPAL LEAGUE'S CHALLENGE OF AT&T's TARIFF APPLICATION AT THE PUBLIC UTILITIES COMMISSION OF OHIO

WHEREAS, on December 18, 2024, the Ohio Bell Telephone Company dba AT&T Ohio ("AT&T") filed a Telecommunications Form related to a change in its tariff for "Construction Charges, Relocation of Facilities" with the Public Utilities Commission of Ohio (the "PUCO") in PUCO Case Nos. 24-1123-TP-ATA and 90-5032-TP-TRF (collectively referred to as "AT&T's Tariff Application"); and

WHEREAS, AT&T's Tariff Application proposes tariff changes which will require any municipalities in which AT&T is located in the municipality's public right-of-way to pay the full cost of any relocation or undergrounding of AT&T's facilities, regardless of the reason for the relocation. This is in direct contradiction of current Ohio law; and

WHEREAS, AT&T's Tariff Application is subject to a 30-day auto approval process, meaning that if the PUCO does not rule on the application, then the application is automatically approved, and the tariff change becomes effective on the 31st day after the filing of the application; and

WHEREAS, if AT&T's Tariff Application goes unchallenged and becomes automatically effective, municipalities throughout Ohio, and, subsequently, constituents who may or may not be AT&T customers, would be required to pay for any relocation of AT&T facilities in the public rights-of-way, even if the relocation or undergrounding is required for health, safety, or public welfare purposes; and

WHEREAS, the Ohio Municipal League has engaged counsel to challenge AT&T's Tariff Application.

NOW THEREFORE, BE IT ORDAINED by the Council of the City of New Albany, Counties of Franklin and Licking, State of Ohio, that:

Section 1. Council finds that AT&T's Tariff Application directly changes and significantly impacts, to the detriment of New Albany, how this city manages and administers its public rights-of-way.

Section 2. Council hereby authorizes and agrees to participate in and to intervene in the proceeding at the PUCO in order to challenge AT&T's Tariff Application and any subsequent and/or necessary legal, administrative, legislative efforts.

Section 3. Council has been advised by the Ohio Municipal League that future financial and/or other support from the city may be necessary. Council may take under consideration the specific amount or form of such financial and/or other support from the city at a subsequent meeting of this council.

Section 4. It is hereby found and determined that all formal actions of council concerning and relating to the adoption of this legislation were adopted in an open meeting of council, and that all deliberations of the council and or any of its committees that resulted in such formal action were in meetings open to the public, in compliance with Section 121.22 of the Ohio Revised Code.

Section 5. Pursuant to the Article VI of the Charter of the City of New Albany, this resolution shall take effect upon passage.

CERTIFIED AS ADOPTED this _____ day of _____, 2025.
