Citizen Police Academy

The 2025 Citizen Police Academy class began its nine week program this month. During the first few weeks, participants were given an introduction to law enforcement, learned about many laws officers uphold and patrol operations. They were given the opportunity to see all of the tools and equipment the department uses to operate and toured the police station and communications center. Over the next few weeks, they'll dive into more specific topics such as OVI enforcement, range training, K9/drug enforcement and judgment scenarios.

Ohio Law Enforcement Torch Run

Officer Kelly and Detective Southers along with the New Albany Special Olympics athletes went to a Columbus Blue Jackets Game in partnership with the Ohio Law Enforcement Torch Run for Special Olympics and Blue Jackets player Zach Werenski. The athletes got to access his personal suite for the game and had an amazing experience.

Later in the month, Officer Kelly joined other members of the Ohio Council of Law Enforcement Torch Run for Special Olympics in Ohio's first ever "Super Plunge". The council members plunged once an hour, every hour for 24 hours to raise money and awareness for Special Olympics Ohio. The council collectively raised approximately \$10,000.
