Safety Town

Safety Town hosted 286 children within their two programs this year; Safety Town and Graduate Camp. Campers had the opportunity to practice bike and pedestrian safety at Adventureland, water safety at the Plain Local Aquatic Center and animal safety with K9 Amigo and Officer Rehnert. New Albany Police Officers and Plain Township Firefighters also gave tours of the police and fire stations. The program would like to thank all of the student volunteers, certified teachers, officers and firefighters for their cooperation to make Safety Town camp both fun and educational for all of the campers.

We would also like to thank the New Albany City Council, New Albany Plain Local School District, Plain Township Fire Department and the New Albany Service Department for their assistance in making Safety Town successful for another year.
