Training Highlights

MAPS Courses

In December, Javon Henderson attended two MAPS courses, Becoming a Kaizen Leader led by Patrick Donadio, MBA, CSP, MCC and Effective Communication for Early & Mid-Career Professionals led by Quanetta Batts, MBA. Both courses focused on a mix of communication skills and leadership qualities, in addition to tools for enhancing these identified qualities in the workplace and throughout your career. These courses help with identifying strengths and weaknesses, leadership qualities, and how to effectively use these traits to becoming a efficient leader and coworker.

Sydney Lally also attended Effective Communication for Early & Mid-Career Professionals led by Quanetta Batts, MBA. This class equipped professionals with practical tools in active listening, effective writing, delegation, negotiation, and handling difficult conversations.

BOARD AND COMMISSIONS
DECEMBER 2025

Rocky Fork-Blacklick Accord Special Meeting: December 1, 2025

Applications:

Type: Rezoning
Location: Generally west of Johnstown Road and north of Walnut Street
Applicant: MBJ Holdings, LLC c/o Aaron Underhill, Esq.
Request: Rezone 101+/- acres from Agricultural District (AG) to Limited General Employment (L-GE) for an area to be known as the U.S. 62 Business Zoning District
Zoning: Limited General Employment (L-GE)
Board Action: Approved

Planning Commission Informal Meeting: December 1, 2025

Applications:

Type: Rezoning
Location: 6600 New Albany-Condit Road
Applicant: Rob Riddle c/o Aaron Underhill, Esq., Underhill & Hodge LLC
Request: Rezone 1.116+/- acres from the Rural Residential sub-district of the Urban Center Code to Infill Planned Unit Development (I-PUD) known as the 605 Neighborhood Office District
Zoning: Infill Planned Unit Development (I-PUD)
Board Action: Approved with conditions

Type: Final Development Plan Modification
Location: 9470 Antioch Drive
Applicant: EC New Vision Ohio, LLC
Request: Modify the approved final development plan for The Courtyards at Haines Creek to allow centralized mailbox units at the subdivision clubhouse
Zoning: Infill Planned Unit Development (I-PUD)
Board Action: Approved

Type: Rezoning
Location: Generally west of Johnstown Road and north of Walnut Street
Applicant: MBJ Holdings, LLC c/o Aaron Underhill, Esq.
Request: Rezone 101+/- acres from Agricultural District (AG) to Limited General Employment (L-GE) for an area to be known as the U.S. 62 Business Zoning District
Zoning: Limited General Employment (L-GE)
Board Action: Approved with conditions

Type: Rezoning
Location: 2365 Beech Road
Applicant: Faith Life Church c/o Aaron Underhill, Esq.
Request: Rezone 2+/- acres from Agricultural District (AG) to an existing Infill Planned Unit Development (I-PUD) known as the Faith Life Church I-PUD Zoning District
Zoning: Infill Planned Unit Development (I-PUD)
Board Action: Approved with conditions

BOARD AND COMMISSIONS

DECEMBER 2025

Planning Commission Meeting: December 15, 2025

Applications:

Type: Final Development Plan
Location: Souder Road
Applicant: Nicholas Ovens, EMHT
Request: Final development plan for a new Stack Infrastructure data center
Zoning: Infill Planned Unit Development (I-PUD)
Board Action: Approved with conditions

Rocky Fork-Blacklick Accord Meeting: December 18, 2025

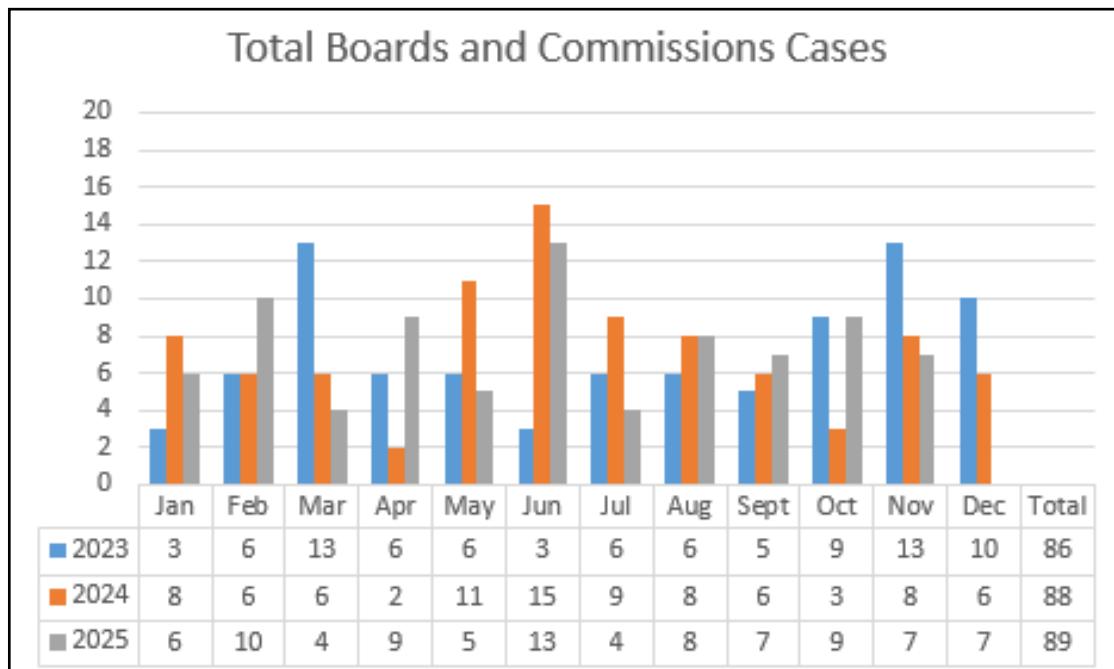

Applications:

Type: Rezoning
Location: Generally at the northwest intersection of State Route 605 and New Albany Road East
Applicant: Schorr Architects c/o Nathan Gammella
Request: Rezone 6.350+/- acres from Limited General Employment (L-GE to Community Facilities (CF) for a new fire station
Zoning: Development (I-PUD) known as the Faith Life Church I-PUD Zoning District
Board Action: Community Facilities (CF)
Approved

BOARD AND COMMISSIONS

DECEMBER 2025

Planning Cases

This graph shows the total number of planning application cases presented to the Planning Commission, Board of Zoning Appeals, Architectural Review Board, Rocky Fork-Blacklick Accord, and Parks & Trails Advisory Board by city planning staff each month.

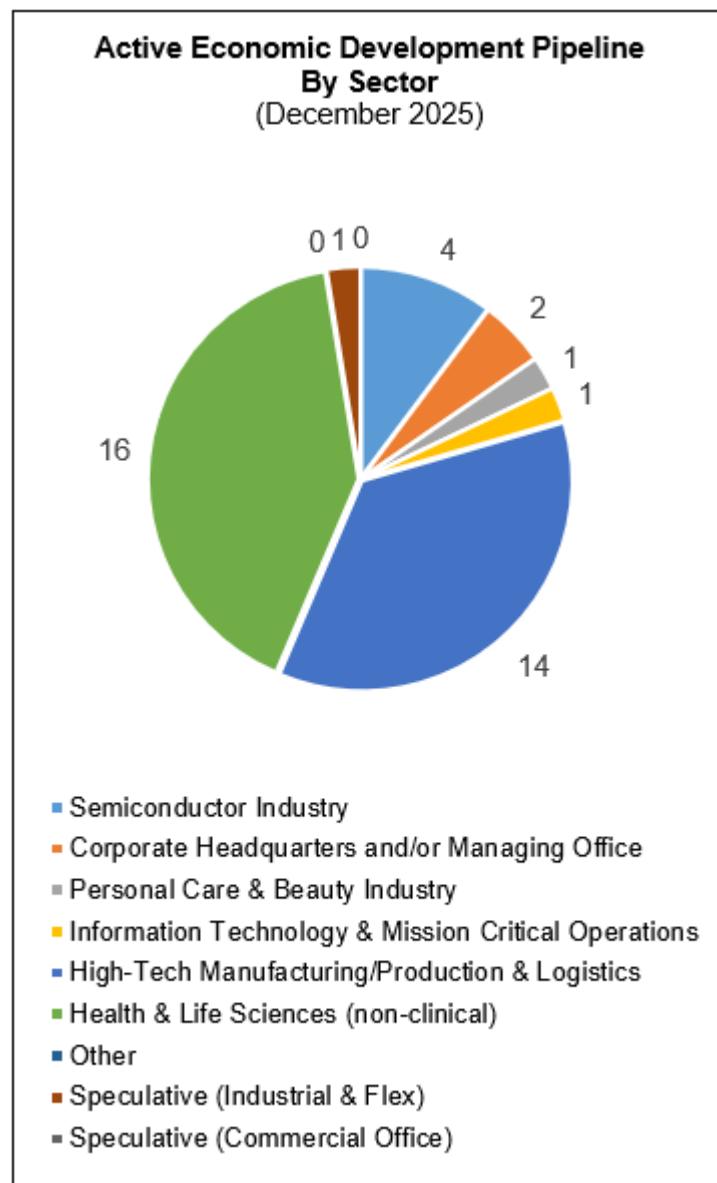

ECONOMIC DEVELOPMENT UPDATES

DECEMBER 2025

Active Economic Development Pipeline

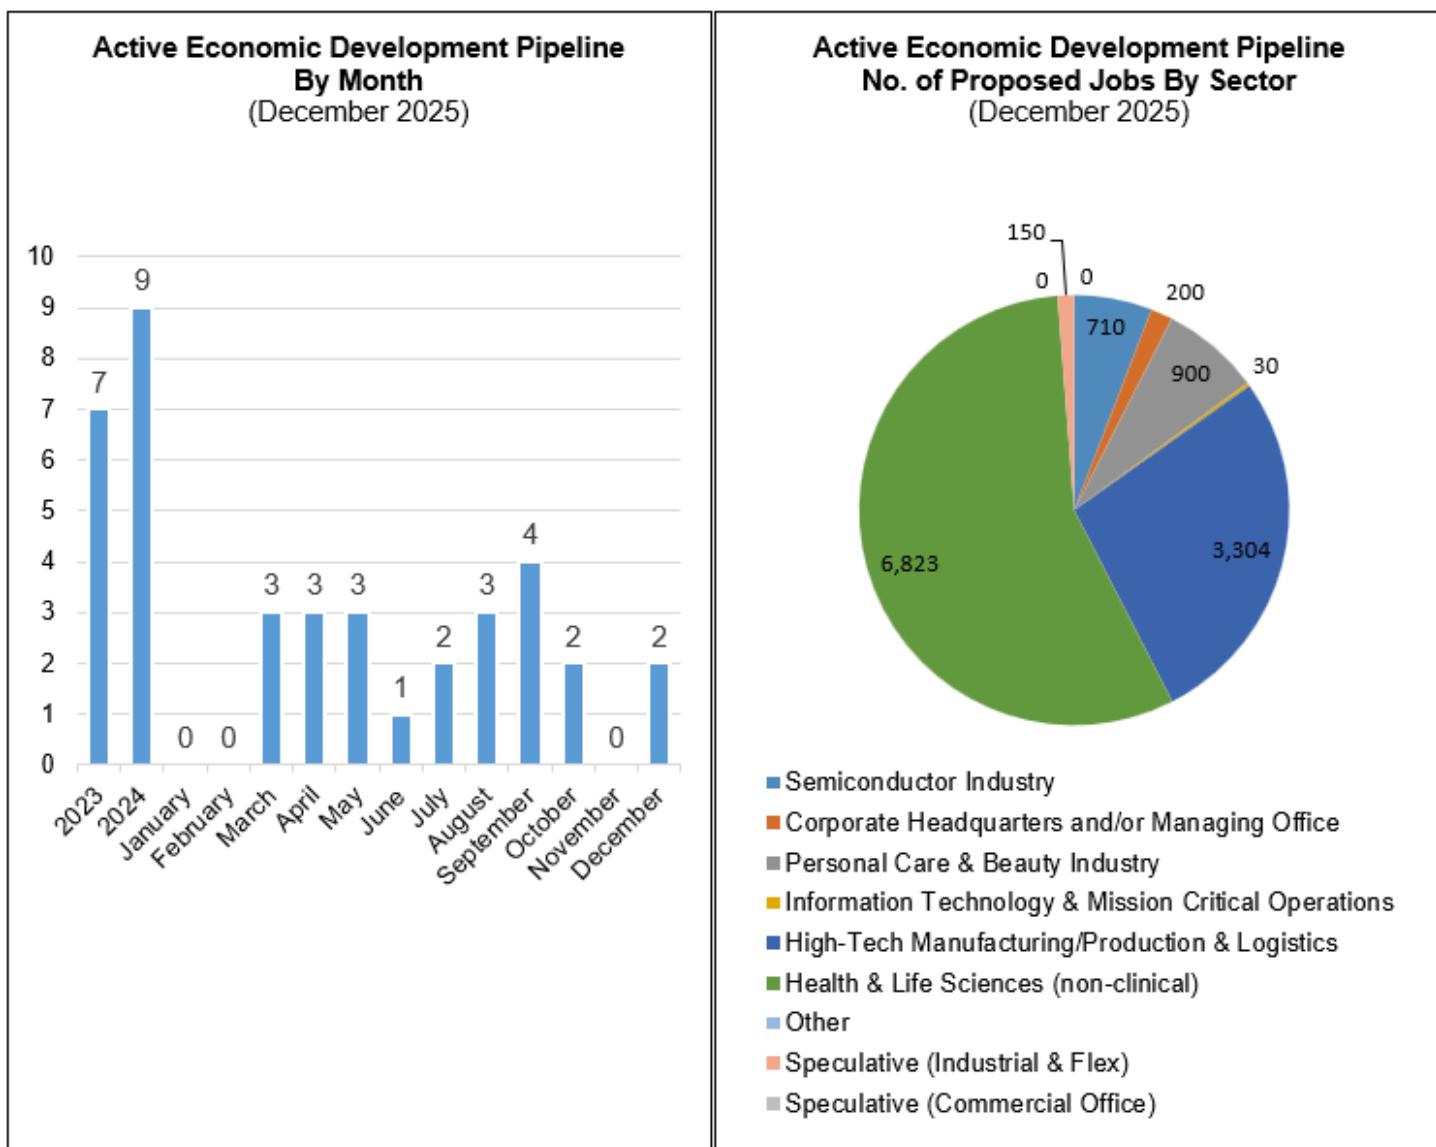

In December, the department responded to two site selection requests. The department reviewed a total of four requests and determined that the stated requirements for the remainder could not be met in New Albany due to the number of acres needed, utility demands, or type of industry.

Currently, the department has an active portfolio of approximately 39 projects.

PLAN REVIEW

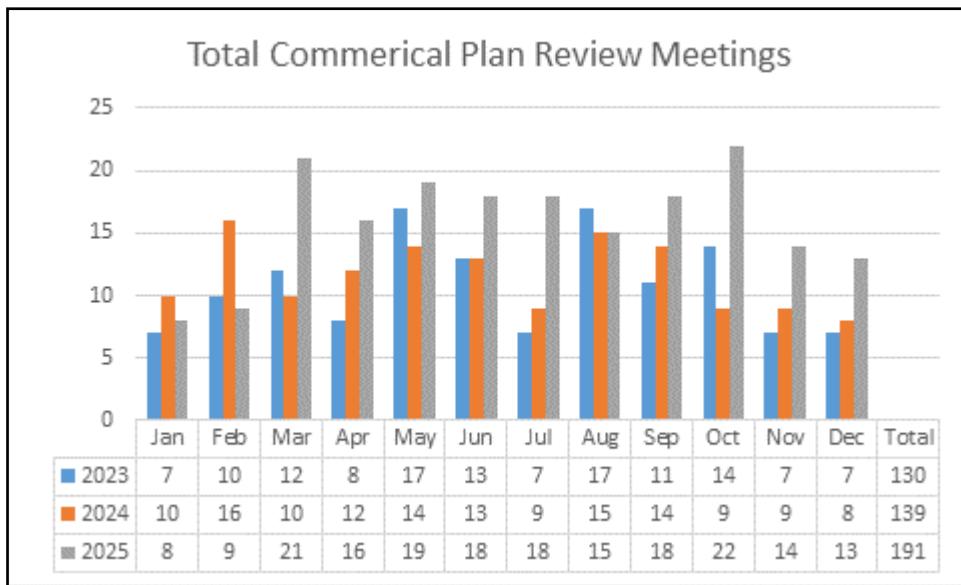

DECEMBER 2025

Residential Walk-Through Meetings

The development department offers in person meetings for small residential projects with the contractor/owners and the zoning and building plan reviewers.

Commercial Walk-Through Meetings

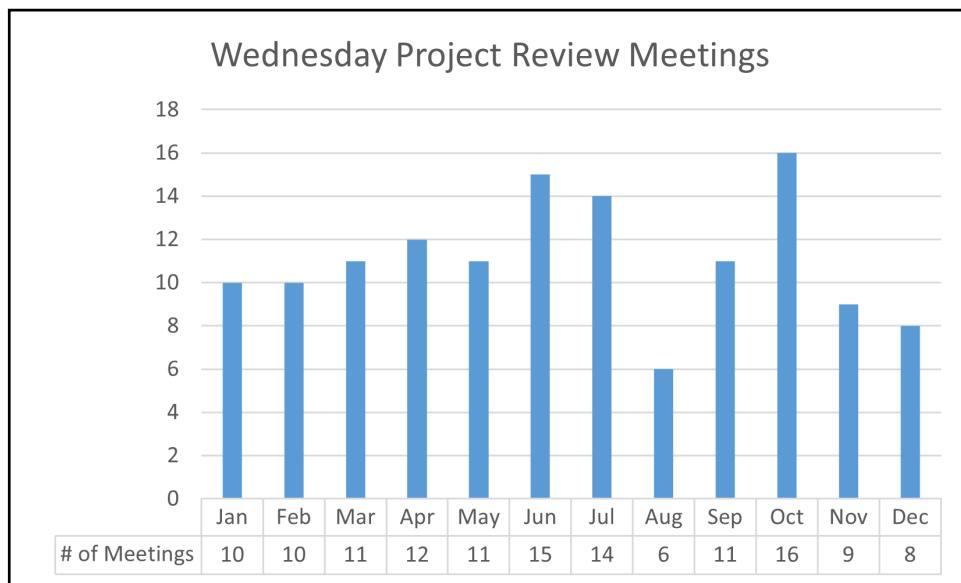

The development department offers in person meetings for commercial projects with the contractor/owners and appropriate city staff to discuss new projects, plan review submissions and occupancy coordination.

PLAN REVIEW

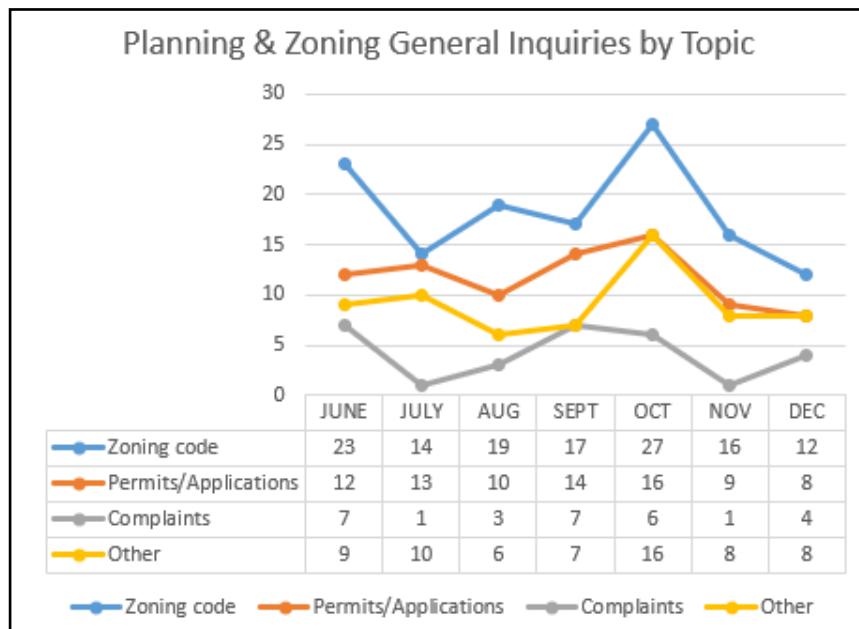

DECEMBER 2025

Planning Meetings

The development department offers in-person meetings on Wednesday mornings and afternoons to review current or future planning applications for commercial and residential projects.

Planning & Zoning Inquiries

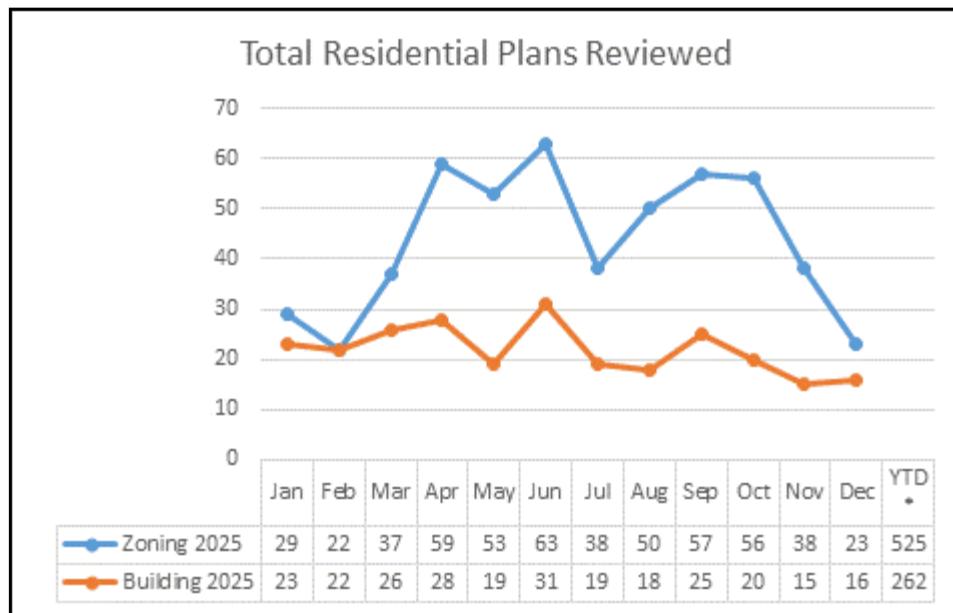

This graph shows the number and types of general inquiries received by the planning staff for the month. The planning staff employs a “Planner of the Day” model where one person responds to all general planning and zoning inquiries received on their designated day of the week.

PLAN REVIEW

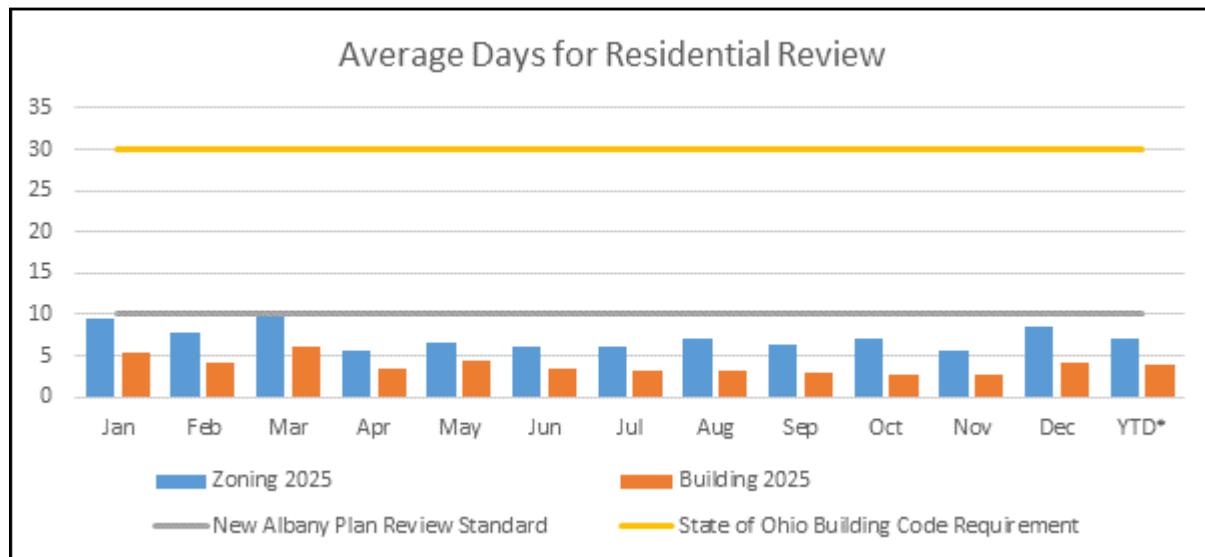

DECEMBER 2025

Residential Plan Review

This graph shows the total number of residential plan reviews completed each month. This includes new projects, response to denials and revisions to approved plans.

*YTD is the total from January to the end of current month.

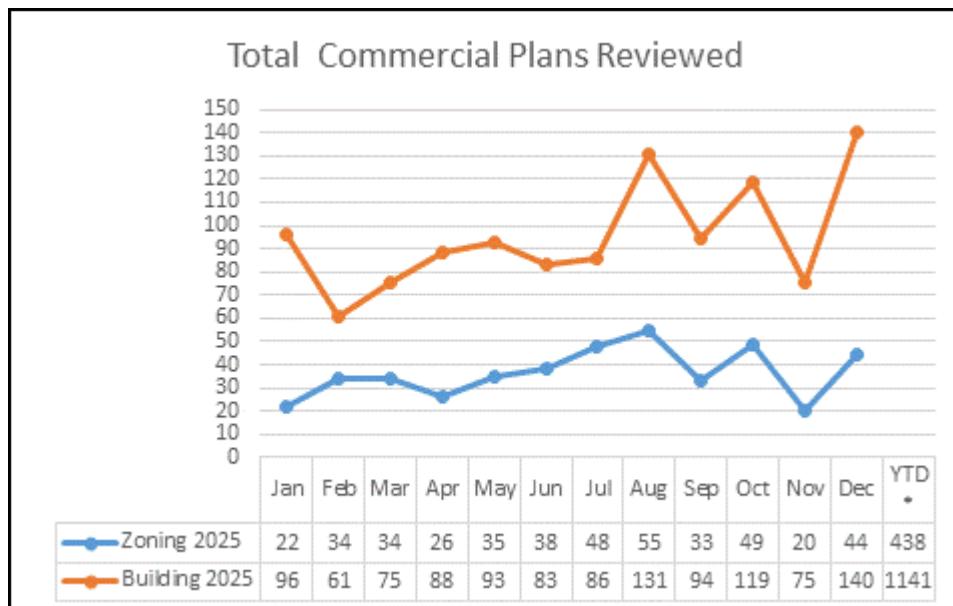

This graph shows the average number of days for residential plan review for building and zoning completed each month. The state standard from the Board of Building Standards and the city standards are listed as solid lines for comparison.

*YTD is the total from January to the end of current month.

PLAN REVIEW

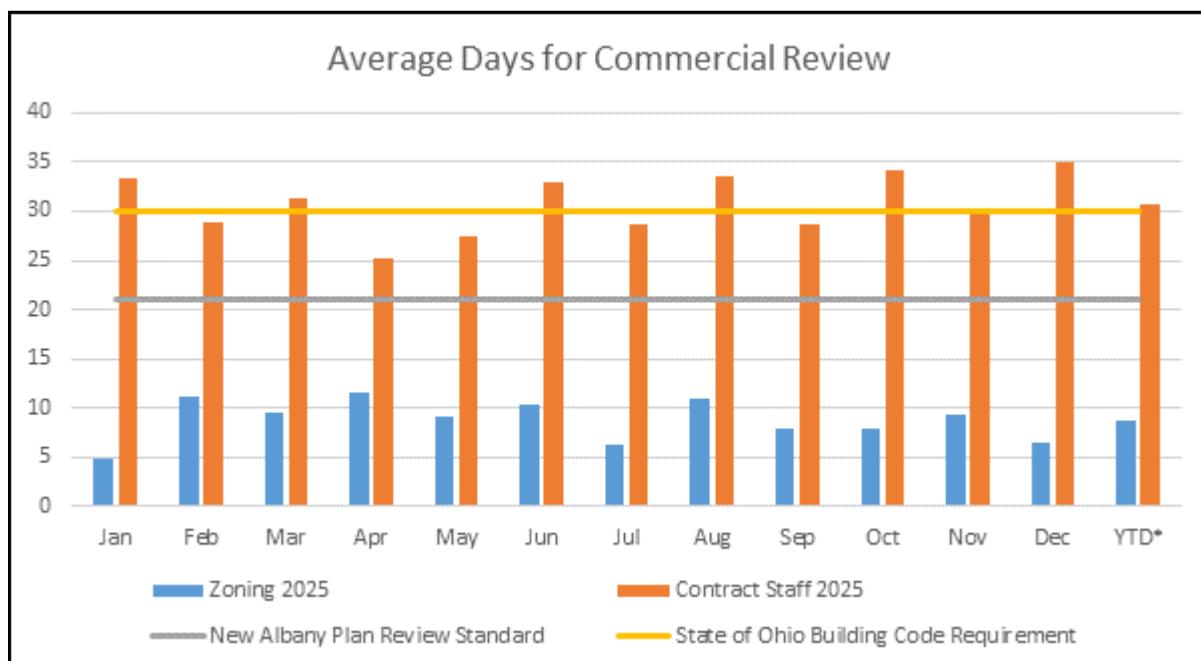

DECEMBER 2025

Commercial Plan Review

This graph shows the total number of commercial plans reviewed each month. This includes new projects, response to denials and revisions to approved plans.

*YTD is the total from January to the end of current month.

This graph shows the average number of days for commercial plans reviewed by building and zoning each month. The state standard from the Board of Building Standards and the city standards are listed as solid lines for comparison.

*YTD is the total from January to the end of current month.

- NLH Temporary Parking Lot

FIELD WORK AND INSPECTIONS

DECEMBER 2025

Code Enforcement Activity

Address: 9230 Pamplin Way

Date of Complaint: October 24, 2019

Complaint Description: Encroachment in a preservation zone.

Violations: Working without a permit, encroachment of a preservation zone, and not following the court agreement.

Activity: A resolution agreement for this property requires the removal of the paver patio from a conservation area, and re-establishment of this area with natural grasses and trees. In accordance with the agreement, the owner removed the paver patio and re-established natural grasses in the disturbed areas in 2022. During a subsequent inspection in 2024, the city staff observed that the naturalized grass had been removed and replaced with maintained turf grass and the required tree plantings were not in the locations marked by the staff in accordance with the agreement. Based upon the city prosecutor's recommendation, the city staff proposed a new resolution agreement but the property owner disagreed with the terms and the city took court action. During the mayor's court hearing on May 30th, the property owner requested the trial to be transferred to the downtown Columbus Municipal Court. The property owner's attorney filed a motion to dismiss the case, but the judge denied the motion and found the conservation easement to be an enforceable restriction. In October, the property owner's attorney and city prosecutor reached a deal requiring the homeowner to bring the property into compliance. The November 4, 2024, trial was cancelled. The city prosecutor is scheduling a follow-up arraignment date to confirm compliance of the deal.

Status: Open

Address: 7010 Lambton Park

Date of Complaint: July 21, 2025

Complaint Description: Removal of landscape screening.

Violation: Removal of landscaping along the golf course fenceline as part of a variance condition.

Activity: On November 6th, staff conducted a site inspection from the adjacent New Albany Country Club golf course and confirmed that the required landscape screening along the 7010 Lambton Park fenceline had been removed. On November 21st, a formal notice of violation was sent via certified mail to the property owner. The homeowner contacted staff on December 9th regarding the violation. The city staff and the homeowner have discussed landscaping solutions for the upcoming spring.

Status: Open

Address: 6528 Cedar Brook Drive

Date of Complaint: October 14, 2025

Complaint Description: Recreational amenity built without a permit

Violation: Hockey rink built without an approved building permit.

Activity: On November 3rd, staff issued a notice of violation to the property owner. The property owner submitted a building permit and city staff reviewed and provided comments to the applicant on December 18th.

Status: Open

FIELD WORK AND INSPECTIONS

DECEMBER 2025

Code Enforcement Activity

Address: 7365 Milton Court

Date of Complaint: December 2025

Complaint Description: Installation of an invisible underground fence line within a platted buffer area.

Violations: An underground fence line was installed within the platted buffer zone, which is required to remain in its natural state per the New Albany Country Club Section 15A plat.

Activity: The city received a complaint in December 2025 alleging that an underground fence line had been installed within the buffer area. Photographs submitted with the complaint indicate that work occurred within the platted buffer zone. Staff reviewed the applicable plat restrictions and confirmed that the installation violates the buffer area requirements. A Notice of Violation was issued on December 31st, outlining required corrective actions, including removal of the underground line and restoration of the buffer area, or alternatively, submission of a variance request to the Board of Zoning Appeals. The property owner was instructed to respond in writing by January 14th, identifying their intended course of action.

BUILDING AND ZONING STATISTICS

DECEMBER 2025

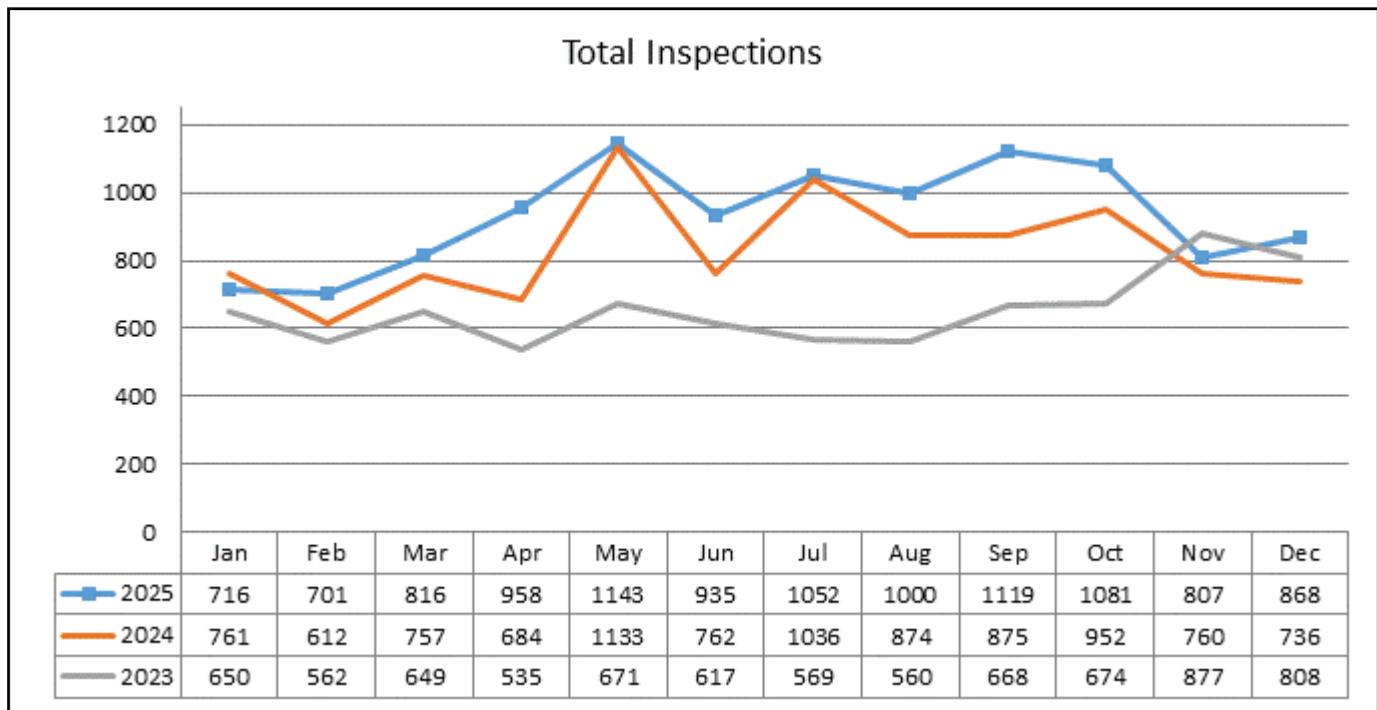

*YTD is the total from January to the end of current month.

This graph represents the number of building and zoning permits issued per year. The significant decrease in the total number of permits in mid-2015 is due to an internal change in process. The change in process combined all permits related to one project into a single permit for ease of tracking and overall project coordination. However, this change does not always reflect the number of plan/permit reviews in a single permit.

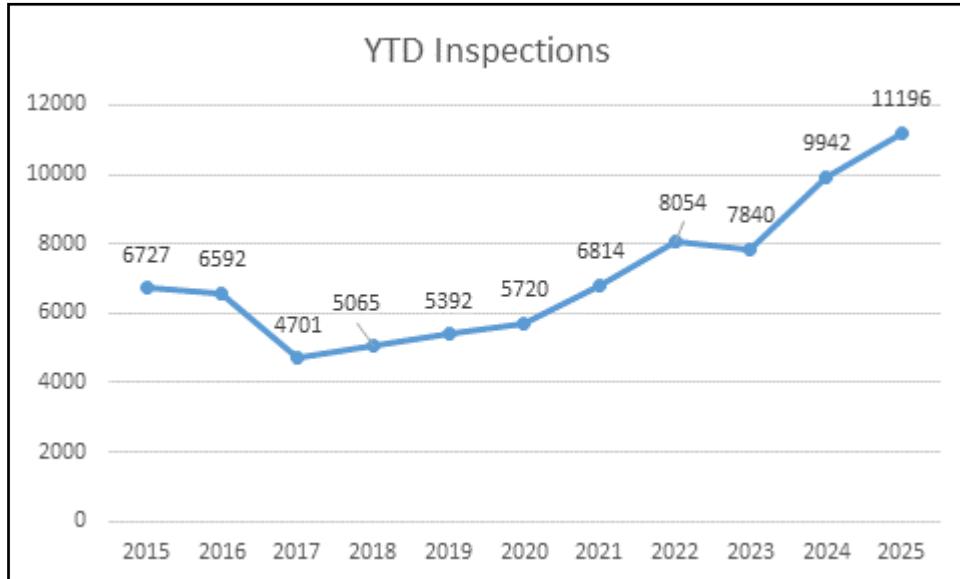

BUILDING AND ZONING STATISTICS

DECEMBER 2025

This graph represents the number of building and zoning inspections completed per month.

*YTD is the total from January to the end of current month.

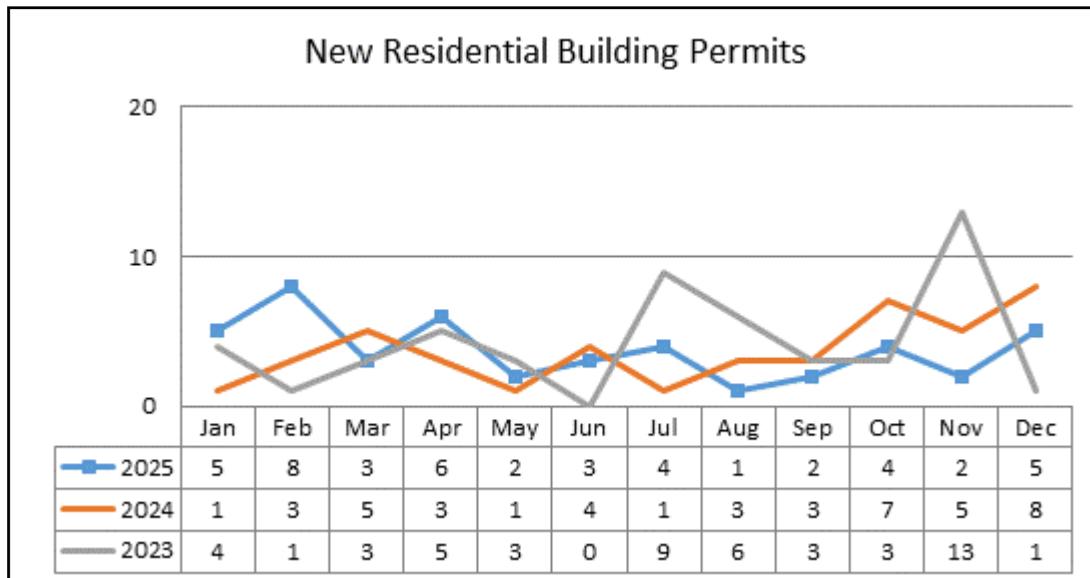

This graph represents the number of building and zoning inspections completed per year.
